Rule 130-2-.03. License to Operate a School, Ownership, or Relocation.
(1) A license to operate a school carries with it the approval of the Georgia State Board of Cosmetology and is valid only for the owner or owners specified on the application for the school. Any request for expansion, relocation, or change in the school's name or school's owners must comply with statutory and regulatory provisions applicable to new schools.

(2) Any person, firm, corporation or establishment which accepts, directly or indirectly, compensation for teaching more than one person any branch of cosmetology will be classified as a school and will be required to comply with all the provisions of the laws and rules of the Board.

(3) Any person, firm, corporation or establishment licensed hereunder shall furnish to the Georgia State Board of Cosmetology a copy of the school policies and procedures at the time of application for a school license, and in the event any such policies and procedures are thereafter changed, a copy of same shall be filed with the Board.

(4) Each school is required to notify the Board within ten (10) days, in writing, of any change in its supervising instructor or instructors.

(5) Schools shall be required to supply each student with a basic kit containing sufficient implements for the learning of cosmetology, hair design, esthetics, or nail technology. Schools are required to comply with all sanitation rules adopted by this Board and shall instruct the students in the importance of complying with all sanitation rules of this Board (see 130-3-01, 130-3-.03, 130-3-.07, and 130-3-.10).

(6) All schools of cosmetology, hair design schools, esthetician schools and schools of nail care shall maintain a library which includes at least one each of the following: medical dictionary, book on first aid, book on cosmetic chemistry, book on esthetics, book on nail technology, book on basic nutrition, book of instructor training and teaching methods for cosmetology, esthetician, nail technology, and hair design, book on personality and charm, book on primary art, sketching, etc., and at least one book on business management.

(7) All schools must be properly lighted and well ventilated.

(8) All schools must have a supply of clean, sanitary drinking water, separate toilet facilities for male and female students, and provide sufficient beauty equipment for the number of students enrolled.

(9) All schools must post the laws and rules furnished by the Board in an open area in each school.

(10) When, and if, the school's enrollment increases beyond its capacity of properly caring for the original fifteen (15) students as to classroom, lockers, equipment and floor space, the school shall, for the purpose of good student training, public protection and safety, enlarge such school to meet the needs of the number of students enrolled.
(11) When closing a cosmetology, hair design, esthetics or nail care school, the Board shall be notified in writing of the closure and all student records shall be released to the Board no later than 30 days prior to the closure date.

(1) Number of Continuing Education Hours Required for Renewal or Reinstatement of License.

(a) Renewal after January 1, 2003. In order to renew a license after January 1, 2003, each licensee shall provide to the Board proof of completion of five (5) continuing education (CE) hours in a form acceptable to the Board. If audited, the licensee shall submit written proof from the CE provider of attendance and/or completion of each CE course submitted for credit.

1. Three (3) hours of the total five (5) hours must be satisfied by a course in health and safety developed by the Department of Technical and Adult Education (DTAE).

2. Two (2) hours of the total five (5) hours must be in a course previously registered with the Board in any of the following areas: industry or trade show, health and safety, industry trends, computer skills, business management, or the licensee's area of practice.

(b) Exemption from CE Requirements.

1. A licensee that meets any of the following exemptions shall not be required to complete the CE requirements set out in this Rule;

   (i) Licensees who have held a license for 25 years or more and can submit documentation thereof to the satisfaction of the Board;

   (ii) Licensees who submit to the Board proof of hardship based upon:

      (I) Age; proof of attainment of age 65;

      (II) Disability, medical or otherwise; a documented permanent disability, copy of an award letter of disability benefits such as Social Security, Railroad retirement or DD214;

      (III) Illness; or temporary disability documented by the appropriate physician specialist stating the disability, anticipated duration and physical or mental limitation(s);

      (IV) Other circumstances as the Board may determine on a case by case basis.
2. Licensees who claim an exemption shall submit to the Board a sworn, written statement, signed by the licensee before a notary public, setting out the facts supporting each exemption claimed. An exemption request form may be obtained from the Board or a written request may be submitted in a form otherwise acceptable to the Board.

(c) First Renewal of License. The holder of a license who is renewing a license for the first time shall not be required to meet the CE requirements.

(d) Reinstatement of a lapsed license. In order to reinstate a license after expiration, the applicant shall pay all fees required by law or rule, including the reinstatement fee, and shall submit documentation of completion of CE hours required for renewal. A license shall be issued upon completion of all requirements of the laws and rules.

(e) CE Requirements For Hair Designers: For the first license renewal period after September 1, 2010, the Board shall allow a maximum of five (5) hours credit for any CE courses taken between August 31, 2006 and September 30, 2008.

(2) Provider Registration of Continuing Education Courses.

(a) The curriculum of any CE course not developed by the DTAE or not offered as a course by any of the institutions listed in paragraph (2)(e) of this Rule must be registered with the Board and must comply with Board rules.

(b) Industry or trade show registration. Providers of industry or trade show courses that wish to register courses for CE credit must supply the following information to the Board prior to registration:

1. Date and location;

2. Form to be used as written proof of course attendance or completion for licensee participants.

(c) Course of study registration. Providers of courses of study that wish to register courses for CE credit must submit the following information to the Board prior to registration:

1. Outline of subject matter;

2. List of persons teaching;

3. Summary of qualification of teachers;

4. Number of hours for each course;
5. Date and location of course;

6. Form to be used as written proof of course completion for licensee participants.

7. Course evaluation form

(d) Internet, electronic or home study course. Providers of Internet, electronic or home study courses must submit the same information for registration with the Board as the providers of courses listed in paragraph (2)(c) of this Rule.

(e) Exempt courses. Courses in cosmetology, hair design, nail technology, esthetics, computers, business, or health and safety issues offered by schools under the jurisdiction of the Board of Regents of the University System of Georgia, the Department of Technical and Adult Education, the Department of Education, or any accredited postsecondary institution shall satisfy the continuing education requirement without a request to the Board for approval or registration.

(f) The curriculum developed by DTAE in health and safety shall be revised as necessary to incorporate new developments upon request by the Board, interested parties or licensees. DTAE shall make the curriculum available to other providers of continuing education.

(g) Requirements for all course providers.

1. No private providers shall represent themselves as the Georgia State Board of Cosmetology or the Georgia Office of the Secretary of State. The prohibition against such representations shall include all promotional material including, but not limited to, provider name, course or business name, websites, advertisements, e-mails or mailings.

2. No testing of knowledge or skills shall be required as proof of completion of any CE course.

3. All licensees shall receive written proof from the course provider of attendance and completion of a CE course. The provider's registration number issued by the Board must be included on the certificate of completion.

(3) CE Courses Not Registered With the Board. Any licensee may request Board approval of an unregistered industry or trade show or other unregistered course of study for CE credit. The Board, in its discretion, may approve such course on a case by case basis. All licensees shall receive written proof of attendance and/or completion of CE courses from the provider; and the licensee shall submit such proof to the Board.
(4) Private providers of continuing education courses must include their registration number issued by the Board on all promotional material including, but not limited to information about courses, websites, advertisements, emails or mailings.

(5) CE providers must renew their registration by submitting a new CE provider application to the board beginning April of an even year.

Chapter 130-4. DEALING WITH ESTABLISHMENT.

Rule 130-4-.01. Facilities.

(1) All facilities (salons/shops or schools) wherein cosmetology services are practiced or taught within the State of Georgia must provide suitable quarters equipped to give adequate services.

All facilities are subject to inspection by any Board member or inspector, who shall have the power and right to enter into and make reasonable inspection of any facility during regular business hours; and refusal of or failure to permit or cooperate with such reasonable inspection shall subject an individual and/or a facility holding a certificate of registration issued by the Board to sanctions, including revocation of the certificate of registration.

(2) A beauty facility shall have a permanent and definite location in which the cosmetology professions of master cosmetologist, hair designer, nail technician, and/or esthetician, are practiced in accordance with the laws and rules of the Georgia State Board of Cosmetology. All mobile units, including kiosks, carts, mobile homes, trailers, and motor homes, shall not be licensed as salons/shops unless they meet all requirements of the Board and are permanently anchored on the ground with wheels detached.
Rule 130-4-.02. Use of Facility for Home Salon/Shop.

Space used for a cosmetology facility must be separated by tight, ceiling high partitions from residence rooms and must have separate restrooms. The cosmetology facility shall have a separate outside entrance. Separate space must be provided for a cosmetology facility. The use of any such space for sleeping, dining or any other domestic purpose is prohibited.

Rule 130-4-.03. Facilities (salon/shop/school).

Space used for a cosmetology facility must be separated by tight, ceiling high partitions from other commercial facilities.

Rule 130-4-.04. Cleanliness.

Walls, ceiling, floors, furniture and equipment must be kept free from excessive dust, dirt and debris. All equipment must be kept in good and safe working condition.
Rule 130-4-.05. Plumbing, Hot and Cold Water.

Each facility must have proper toilet and plumbing facilities and an adequate supply of hot and cold running water in accordance with recognized health standards.

Rule 130-4-.06. Apprentices.

No cosmetology salon/shop shall have in training more than one apprentice for each person licensed at the master cosmetologist, hair designer esthetician or nail technician level. More than one apprentice is permissible if affirmatively shown to the Georgia State Board of Cosmetology that the apprentice will be denied the opportunity of learning the profession of cosmetology, hair design, esthetics, or nail technology provided that the burden of proof shall be upon the person or persons seeking to show that the opportunity to learn the profession has been denied.

(1) Each apprentice shall be trained and supervised by one master cosmetologist as shown on the apprentice's registration filed with the Board by the salon/shop owner/manager.

(2) The salon/shop owner/manager may temporarily designate a qualified master to train and supervise the apprentice in the absence of the master licensee who is registered with the Board as being the master responsible for training the apprentice. The temporarily designated master shall have at least 36 months experience and shall have held a certificate of a master for at least 36 months as required by O.C.G.A. § 43-10-14(a). The burden of proof for establishing that circumstances exist which require assigning an apprentice to another licensed and qualified master on a temporary basis shall be deemed to have been met if the training master is absent from the salon/shop for a limited duration of time. Such time periods include, but are not limited to, illness, jury duty, military leave, absences for personal business or travel, vacation, temporary leave of absence from work, or a leave under the federal "Family and Medical Leave Act".

(3) Any apprentice training hours obtained at a location other than the salon/shop registered with the Board as the apprentice's training salon/shop shall not be counted toward the number of hours required for examination and licensing.

Rule 130-5-.05. Cleaning and Recommended Disinfection of Implements.

(1) All multi-use tools, implements, and equipment used for cosmetology services that come in contact with a client must be cleaned of all visible debris after each use and disinfected after each use by complete saturation or immersion for at least 10 minutes in an EPA-registered, hospital-grade disinfectant according to the manufacturer's directions. Autoclave is an acceptable method of sterilization. Each salon or shop shall provide correct wet disinfection and dry storage standards at all times.

(a) Multi-use items constructed of nonporous materials such as metal, glass, or plastic for use on more than one client include, but are not limited to the following items: nail clippers, cuticle nippers, cuticle pushers, scissors, shears, reusable nail forms, manicure and pedicure bowls, foot files, glass, metal and fiberglass files, metal drill bits, tweezers, comedone extractors, brushes, combs, clips, reusable pencil sharpeners, reusable gloves, and any other metal tools/non-porous implements not listed above.

(b) Single use items shall be discarded after being used one time. These items include: buffers, emery boards, nail files, sleeves and sanders for electric files, orangewood/birchwood sticks, wooden applicator sticks or spatulas, porous foot files, pedicure slippers and toe separators, disposable gloves, paraffin liners, cotton balls, cotton strips or swabs, neck strips and muslin strips or any items that cannot be disinfected.

(2) Wet disinfection standards for tools, implements, or equipment:

(a) After cleaning, all tools, implements and equipment must be disinfected by complete saturation or immersion (enough solution to cover all surfaces of the item) for 10 minutes in an EPA-registered, hospital-grade disinfectant that is bactericidal, virucidal, fungicidal, and pseudomonacidal. The disinfecting solution must be changed daily and/or prepared according to manufacturer's directions.

(b) All tools, implements, or equipment that come in contact with blood or body fluids must be disinfected by complete immersion for a minimum of 10 minutes in
an EPA-registered disinfectant that is effective against HIV-1 and Human Hepatitis B Virus, or tuberculocidal that is prepared and used according to the manufacturer’s directions. Autoclave is an acceptable method of sterilization.

(3) Dry storage standards for tools, implements, or equipment:
   (a) All disinfected tools and implements shall be stored in a sanitary manner in a covered container. The container must be labeled to show that it contains disinfected tools and implements.

   (b) Soiled and dirty tools and implements must be stored in a separate and properly labeled covered container. Soiled and dirty tools and implements shall not be used again until properly cleaned and disinfected according to the procedures stated in this rule.

(4) Hand washing is required before and between providing services to each client. An antibacterial soap is recommended to sanitize the hands and the exposed portions of arms before providing services and after smoking, drinking, eating, and using restrooms.

(5) Pedicure equipment cleaning and disinfection procedures to be used for all pedicure equipment that holds water including sinks, bowls, basins, pipe-less, and whirlpool spas are as follows:

   (a) After each client, all pedicure units must be cleaned with a chelating soap or detergent with water to remove all visible debris, then disinfected with an EPA-registered hospital-grade bactericidal, fungicidal, virucidal, and pseudomonacidal disinfectant used according to manufacturer’s instructions for at least ten (10) minutes. If the pedicure unit has a foot plate, it should be removed and the area beneath it cleaned, rinsed, and wiped dry.

   (b) At the end of each day of use, the following procedures shall be used:

      1. All filter screens in whirlpool pedicure spas or basins for all types of foot spas must be sanitized. All visible debris in the screen and the inlet must be removed and cleaned with a chelating soap or detergent and water. For all pedicure units, the jet components and/or foot plate must be removed and any debris removed and cleaned. The screen, jet, and/or foot plate must be completely immersed in an EPA-registered, hospital-grade bactericidal, fungicidal, virucidal, and pseudomonacidal disinfectant that is used according to manufacturer’s instructions. The screen, jet, and/or foot plate should be replaced after disinfection is completed and the system flushed with warm water and lowsudsing soap for 5 minutes, rinsed, and drained.

      2. After the above procedures are completed, the basin should be filled with clean water and the correct amount of EPA-registered disinfectant. The solution must be circulated through foot spa system for 10 minutes and the
unit then turned off. The solution should remain in the basin for at least 6 to 10 hours. Before using the equipment again, the basin system must be drained and flushed with clean water.

(c) Once each week, additional procedures should be performed. After completing the required cleaning procedures for the end of the day, the basin should be filled with water that contains one teaspoon of 5.25% bleach for each gallon of water.

The solution should be circulated through the spa system for 5 to 10 minutes and then the solution should sit overnight in the basin, or for at least 6 to 10 hours. Before being used again, the system should be drained and flushed.

(d) A record or log book containing the dates and times of all pedicure equipment cleaning and disinfection procedures must be documented and kept in the pedicure area by the salon or shop and made available for review upon request by a consumer and/or an inspector from the Board.

(6) Signs shall be posted in clear view in the reception area of the salon/shop as follows:

(a) Cosmetology laws, rules, and regulations are available upon request.

(b) All cosmetology services shall only be performed on intact, healthy scalp, skin, and nails.

(c) Customers should not shave their legs the same day as receiving pedicure services to reduce the risk of infection.

(d) Any razor-like implement, such as a credo blade, shall not be used to reduce the chance of injury or infection.

(e) Pumice stones shall not be reused from one customer to another to prevent the spread of bacteria.
