Amended: F. Apr. 9, 1986; eff. Apr. 29, 1986.

(1) Renewal of License and Fees.

(a) A license issued by the Board shall expire on March 31st of even numbered years. The license may be renewed upon payment of the renewal fee and completion of the online renewal application or a paper renewal form (contact the Board office to request one mailed to you) provided all requirements have been met.

(b) Any licensee who fails to apply for renewal by March 31st of each even numbered year may renew the license on or before June 30th of the same even numbered year by the payment of the current renewal fee plus an additional late penalty fee. See fee schedule. You must submit your verification(s) of the required continuing education hours obtained for that renewal. Practicing on or after April 1st of each even numbered year with an expired license is prohibited by law and practice during this period may result in disciplinary action for unlicensed practice.
(c) Each licensee applying for renewal must satisfactorily complete any continuing professional education requirements established by Board rule 157-5-.01.

(d) The Board may request additional verification of any requirements or credentials, as it may deem necessary.

(e) The failure to renew a license by June 30th following the March 31st even numbered renewal year expiration date shall cause the license to be administratively revoked and subject to reinstatement at the discretion of the board.

(2) Reinstatement of License.

(a) A license that is no longer active may be reinstated by the licensee upon meeting the following conditions set by the board:

1. To reinstate a license that has been lapsed for less than 2 years from the effective date of the lapse, the applicant must:
   (i) submit an application for reinstatement, with the required fee
   (ii) submit proof of obtainment of the thirty (30) hours of Continuing Professional Education hours obtained within two (2) years prior to the date the application for reinstatement is received in the Board office;
   (iii) provide proof of current registration with the Commission on Dietetic Registration;
   (iv) provide verification of licensure from each state official or regulatory entity issuing the license, for each state currently or previously licensed in, indicating the license status and whether it is current and in good standing or not. If the license is not in good standing, the verification must indicate any sanctions or other disciplinary actions ever taken against the license.
   (v) the Board may request additional verification of any requirements or credentials, as it may deem necessary.

2. To reinstate a license that has been lapsed for 2 or more years from the effective date of the lapse, the applicant must:
   (i) submit an application for reinstatement with the required fee;
   (ii) submit proof of obtainment of thirty (30) hours of Continuing Professional Education hours obtained within two (2) years prior to
the date the application for reinstatement is received in the Board office;

(iii) provide proof of current registration with the Commission on Dietetic Registration;

(iv) provide verification of licensure from each state official or regulatory entity issuing the license, for each state currently or previously licensed in, indicating the license status and whether it is current and in good standing or not. If the license is not in good standing, the verification must indicate any sanctions or other disciplinary actions ever taken against the license.

(v) the Board may request additional verification of any requirements or credentials, as it may deem necessary.

(vi) submit two (2) letters of professional reference, one must be from a person who is currently registered and in good standing with the Commission on Dietetic Registration and the other from a current or former supervisor.

(b) To reinstate a license that has been placed in Inactive license status:

1. The holder of an active license may request to place the license on inactive status by submitting a written request to the board no later than June 30th following the March 31st even numbered renewal year expiration date.

2. The holder of an inactive license that continues to practice is subject to disciplinary action for unlicensed practice.

3. An inactive license may be reinstated by application for Reinstatement as provided in Rule 157-2-.04(1) or (2) above.
Rule 157-2-.05. Fines and Penalties; Name and Address Changes.

(1) Upon finding that a violation has occurred, in accordance with O.C.G.A. §§ 43-1-19 and 43-11A-15 and 43-11A-14, the Board has the authority to sanction any license issued, deny a license, or refuse to renew a license.

(2) The Board may impose any or all of the following:
   (a) Public or Private Reprimand;
   (b) Letter of Concern;
   (c) Imposition of Fine(s);
   (d) Period of Probation.

(3) With respect to unlicensed practice, the board may consider each day as a separate violation.

(4) Mitigating circumstances may be taken into account in varying the sanctions subject to the Board's discretion. Mitigating circumstances shall not include failure to notify the board of an address change or failure to receive a renewal application.

(5) Name Change. A name change request shall be accompanied by a copy of the marriage certificate, court order, or other documentation of a legal name change.

(6) Change of Address. It is the duty of each licensee to maintain with the Board a current mailing address, physical address, telephone number and e-mail address. Licensees may update this information online or submit changes to the Board's administrative staff to update their record.

Reading dietetics-related articles from peer-reviewed professional journals may be awarded CPE credit. The article must be read within 5 years of the date the article was published.

1. Reading each article is equivalent to one-half (0.5) continuing professional education unit.

2. A copy of the article abstract or first page of the article read, including citation, date completed and number of CPEUs is required for documentation.

(l) A maximum of twenty (20) continuing professional education units per biennium may be approved for conducting dietetics-related research as a sole or co-investigator. The investigator must participate substantially in the design of the work, analysis of data as well as writing of the report. This does not include research conducted to fulfill academic requirements, which receives continuing professional education units under academic coursework, or conducting literature reviews which are included under professional reading.

1. A sole investigator, who alone develops the study concept and design, conducts the analysis and writes the report, will receive twenty (20) continuing professional education units. A co-investigator, who participates substantially in development of the study concept and design, the analysis of data and writing of the report, will receive ten (10) continuing professional education units.

2. A final report to federal, state or other grant providing organization, or a letter verifying acceptance for publication in a peer-reviewed journal, or a copy of a published journal article in a peer-reviewed journal, or a letter verifying acceptance of research at a peer-reviewed professional association conference is required.

(m) A maximum of thirty (30) continuing professional education units per biennium may be approved/accrued for Residency and Fellowship Programs. Programs require completion of a dietetics-related, post-baccalaureate-level residency or fellowship activity with a minimum of thirty (30) contact hours. The program must meet all the following criteria: post-baccalaureate-level, dietetics-related, formalized/structured experiences, and sponsored by a US regionally accredited college or university or an institution accredited/approved by the Joint Commission (JC) or National Committee for Quality Assurance (NCQA).

1. Completion of the program provides thirty (30) continuing professional education units.
2. The name of the program, address, phone number, and email address or fax number of the provider along with a certificate of completion, including date completed and number of CPEU's are required for documentation.

(n) A maximum of twenty (20) continuing professional education units per biennium may be approved/accrued for Sponsored Independent Learning activities. The individualized learning activity must be planned, carried out by the learner and it must be dietetics-related. The learner contracts with an individual, who is an expert in a particular area, using the Sponsored Learning Contract available from Academy of Nutrition and Dietetics (AND).

1. One (1) continuing professional education unit is equivalent to two (2) hours spent on this activity.

2. The sponsored independent learning contract with original signatures, including date completed and number of CPEU's is required for documentation.

(o) A maximum of twenty (20) continuing professional education units per biennium may be approved/accrued for Study Groups. The study group must be preplanned, provide for group participation, include 3 or more professionals, and include an in-depth study of a specific, dietetics-related topic.

1. One (1) continuing professional education unit is equivalent to one (1) contact hour.

2. A certificate of attendance/completion including date completed and number of CPEU's or CPE agenda/outline (with objectives, date, timeline and coordinator) along with the name, address, phone number, and email address or fax number of the coordinator is required for documentation.

(p) A maximum of thirty (30) continuing professional education units per biennium may be approved/accrued for earning a certification/recertification as approved by Academy of Nutrition and Dietetics (AND)-Commission on Dietetic Registration (CDR). For approval, the certification/recertification program must be dietetics-related. It must require that candidates meet eligibility requirements, pass an examination to become certified initially, and require certificants to pass an examination for recertification in order to remain certified.

1. Completion of a certification/recertification provides 30 continuing professional education units.

2. The name, address, phone number, and email address or fax number of the provider and copy of the document verifying date of issue and duration of
the certification including number of CPEU's are required for documentation.

(q) A maximum of thirty (30) continuing professional education units per biennium may be approved/accrued for Pre-approved Self-Study. Academy of Nutrition and Dietetics (AND)-Commission on Dietetic Registration (CDR) pre-approved self-study programs and self-study programs offered by Commission on Dietetic Registration (CDR) Accredited Program Providers are acceptable. They may be audio-based, computer-based, printed, video-based, DVD-based, CD-based, or Web-based.

1. All self-study programs must meet Academy of Nutrition and Dietetics (AND)- Commission on Dietetic Registration (CDR) defined content, address a single topic in depth, periodicals must be preapproved, emphasis of the program must be on relevant content, must have a minimum of 1 contact hour that is verified, and there must be a professionally developed test at the end.

2. For most programs, one (1) continuing professional education unit is equivalent to one (1) contact hour.

3. A certificate of attendance/completion including date completed and number of CPEU's or CPE agenda/outline (with objectives, date, timeline and provider) is required for documentation.

(3) Unacceptable activities for continuing professional education units include, but are not limited to:

(a) Orientation and in-service programs;

(b) Meetings for the purpose of policy decisions;

(c) Non-educational meetings at association or organization meetings;

(d) Entertainment or recreational meetings or activities, and

(e) Activities that do not relate to dietetics services.

Rule 157-6-.02. Ethics of Dietitians.
(1) The licensure law for dietitians provides that a Code of Ethics will be adopted and published and licensed dietitians will be required to adhere to the Code of Ethics. This code of ethics reflects the ethical principles of the dietetic profession and outlines obligations of the member to self, client, society, and the profession, and is adapted from the Code of Ethics for the Profession of Dietetics adopted by the American Dietetic Association and the Commission on Dietetic Registration. A violation of the Code of Ethics is considered unprofessional conduct and grounds for discipline under O.C.G.A. 43-1-19(6); 43-11A-15(6).

(2) Pursuant to O.C.G.A. § 43-11A-7(9), the Georgia Board of Examiners of Licensed Dietitians shall have the power to adopt, publish and enforce a Code of Ethics. The Licensed Dietitian provides professional services with objectivity and with respect for the unique needs and values of individuals by:

(a) providing sufficient information to enable clients, and others, to make their own informed decisions;

(b) avoiding discrimination on the basis of factors that are irrelevant to the provision of the professional services, including, but not limited to, race, creed, sex, ethnicity, religion, disability, national origin, sexual orientation and age; and

(c) not engaging in sexual harassment.

(3) The Licensed Dietitian accurately presents professional qualifications and credentials by:

(a) using "LD" or "Licensed Dietitian" only when his/her license is current and authorized by the Georgia Board of Examiners of Licensed Dietitians;

(b) using "PLD" or "Provisionally Licensed Dietitian" only when his/her provisional permit is current and authorized by the Georgia Board of Licensed Dietitians;

(c) Certifying the provision of dietetics services only when provided directly by the licensed dietitian or under the supervision of the licensed dietitian.

(4) The Licensed Dietitian does not aid another in violating any Law or Rule of the Georgia Board of Examiners of Licensed Dietitians or aid another person in representing himself/herself as a Licensed Dietitian/Provisionally Licensed Dietitian or practicing dietetics when he/she is not licensed or otherwise exempted from licensure.

(5) The Licensed Dietitian remains free from conflict of interest or the appearance of a conflict by providing full disclosure when a real or potential conflict of interest arises.

(6) The Licensed Dietitian promotes or endorses products only in a manner that is neither false nor misleading.

(7) The Licensed Dietitian assumes responsibility and accountability for personal competence in practice by:
(a) practicing dietetics based on scientific principles and current information;
(b) continually striving to increase professional knowledge and skills and to apply them in practice;
(c) recognizing the limits of his/her qualifications and where appropriate seeks counsel or makes referrals or collaborates with others;
(d) adhering to accepted standards for his/her area of practice.

(8) The Licensed Dietitian complies with all applicable laws and regulations concerning the profession, but seeks to change them if they are inconsistent with the best interest of the public and the profession.

(9) The Licensed Dietitian presents substantiated information and interprets controversial information without personal bias, recognizing that legitimate differences of opinion exist.

(10) The Licensed Dietitian maintains the confidentiality of information and makes full disclosure about any limitations on his/her ability to maintain full confidentiality.

(11) The Licensed Dietitian conducts him/herself with honesty, integrity and fairness by:
    (a) providing factual information to the public and colleagues of his/her services and not advertising in a false or misleading manner;
    (b) making all reasonable effort to be objective and avoid bias of any kind in the professional evaluation of others.

(12) The Licensed Dietitian accepts obligation to protect the public and promotes the high standards of professional practice by upholding the laws, rules and Code of Ethics of the Georgia Board of Examiners of Licensed Dietitians and by reporting alleged violations.
