1. the candidate for licensure obtained the experience within five years prior to date of making application in Georgia; and

2. the candidate for licensure's former licensing jurisdiction is able to certify that the applicant was licensed at some time during the prior five years;

2. an affidavit from any licensed broker with whom the applicant was affiliated and who remains currently licensed stating that (1) the broker is licensed, (2) the dates that the applicant was affiliated with the broker, and (3) the approximate number and type(s) of transactions in which the applicant participated; or

If such candidate for licensure is taking the examination in order to become licensed as a community association manager or a salesperson, said points shall be added to the grade made by the candidate for licensure in answering all questions in any such examination. If such candidate for licensure is taking the examination to become licensed as a broker, said points shall be added to the grade such candidate for licensure makes on the Information Gathering section of the examination and to the grade such candidate for licensure makes on the Decision Making section of the examination.
(c) Any candidate for licensure who is disabled who served on active duty in the armed forces of the United States, or on active duty in a reserve component of the armed forces of the United States including the National Guard, during wartime or during any conflict when military personnel were committed by the President of the United States shall be entitled to a credit of five points if the disability was for an injury or illness incurred in line of duty and such disability is officially rated at less than 10 percent at the time of taking said examination. (f) Any candidate for licensure seeking to qualify for veterans preference points under the provisions of paragraphs (b), (c), (d), and (e) above must:

1. have served in a branch of the armed forces which participated in the war or conflict during which the candidate for licensure served at least ninety (90) days of active duty;

2. have served at least ninety (90) days during a period of time when the Congress of the United States formally declared a state of war or when the

3. submit proof of the candidate's service on official forms available through
the Veterans Administration or the Department of Defense which clearly

incurred in line of duty.

(g) A candidate for licensure for licensure who has moved to Georgia from another
state or a candidate for licensure for non-resident licensure may be granted a
license without further examination or education if such candidate for licensure
produces, from the licensing body of each state which has licensed the candidate
for licensure, an original certification issued no more than twelve months prior to
the candidate for licensure making application for licensure which shows that the
candidate for licensure:

1. has passed an examination for the type of license for which such candidate
   for licensure seeks licensure in Georgia;

2. has met all prelicense and continuing education requirements required by
   such other state(s) for that license;

3. is licensed in good standing at the time of the certification; and

4. has not had any disciplinary action imposed by such state's licensing body.
A candidate for licensure whose certification from the other state(s) does
not comply with all of the conditions in the preceding sentence must take
and pass the qualifying examination for the Georgia license which such
candidate for licensure seeks. Rather than the written certification required
of applicants by this paragraph, the Commission, in its sole discretion, may
choose to accept some electronic form of the certified data from other states,
which applicants must submit, or by some other procedure that reduces
paperwork.

(h) If the criminal history report from another state of such a candidate for licensure a
prior criminal conviction(s) or if the candidate for licensure has a prior
professional license disciplinary action, the candidate for licensure shall comply
with the provisions in paragraphs (8) and (9) of this rule and said candidate for
licensure shall be subject to the provisions of 43-40-15 (a) et seq.

(i) Any examinee, applicant, candidate for licensure, or licensee who without proper
authorization supplies to others, or attempts to supply to others, any information
concerning the content of any qualifying examination, administered by or
approved by the Commission shall be grounds for denial of license or the imposition of any sanction permitted by O.C.G.A. Section 43-40-25.

(j) Approved instructors, approved schools, or their staff members are prohibited from:

1. obtaining from examinees information concerning the content of any qualifying examination administered by or approved by the Commission;

2. accepting such information except as provided or approved by the Commission; and

3. using such information in non-approved courses operated by or in association with any approved instructor or approved school or their staff. Violation of this paragraph may be grounds for denial of approved status, withdrawal of approved status, suspension of approved status, or imposing any sanction permitted by O.C.G.A. Section 43-40-25 upon both instructors and school.

(k) Unless a person first obtains written permission of the Commission, a person may not take any qualifying examination offered by the Commission except:

1. to qualify for or to reinstate the license for which the examination is designed;

2. when:
   a. such person holds a license issued by the Commission by reciprocity rather than by examination,
   b. such person is applying to another state for licensure by reciprocity, and
   c. the state to which such person is applying requires that an applicant for reciprocity must have passed an examination in Georgia as a condition of receiving a license by reciprocity in that state; or

3. when such person is required to take a qualifying examination by an Order of the Commission in a disciplinary matter.

(4) Applications. Applications for licensure, for renewal of license, for transfer of license, for any change in status of a license, and for any change in the name of a firm required to be filed with the Commission, must be on Commission approved forms. Each Commission approved form may require the email address of an applicant and his or her affiliated firm (s), if an email address is maintained by such applicant or firm. Changes in other information required to be filed with the Commission such as changes in trust
accounts, address changes, email address changes and individuals' name changes may be done by letter or email.

(a) Any such application, change of information, or fee required to be filed with the Commission may be filed with the Commission by:

1. personal delivery to the Commission's offices during regular business hours;
2. mail in a letter postmarked by the United States Postal Service;
3. private courier or delivery service; or
4. electronic facsimile (fax) transmission or email if the application does not require the payment of a fee.

(b) The effective date of the filing of the application or fee shall be the United States Postal Service postmarked date, if mailed, or if otherwise filed, the date the Commission dates receipt of the application or fee. In the event that receipt by the Commission of an application or fee occurs later than the deadline for the filing of such application or fee, the applicant or licensee shall bear the burden of proof that the application or fee was timely filed.

(c) If an applicant or a candidate for licensure submits an application on a form which is no longer in use by the Commission and pays the correct fee in effect on the date of the application, the Commission may require the applicant to submit a new application on its latest form at no further cost to the applicant.

(d) A licensee, an applicant, or a candidate for licensure must supply all information requested on any form the licensee submits to the Commission. Failure to supply all information shall cause the application to be incomplete. An application is incomplete if the applicant or a candidate for licensure fails to include the proper fee, to attach any required documents, to provide all requested biographical or other data, to include required signatures, or to include legible responses. Failing to disclose each and every criminal conviction, as defined by O.C.G.A. § 43-40-15(a), or license disciplinary action that the applicant may have in this state or any other jurisdiction may constitute a falsified application.

(e) The Commission may assess the fees cited in Substantive Regulation 520-1-.04(1) on any incomplete application and may return any incomplete application, or any obsolete application, or any application on a non-approved form to a licensee or applicant by mail at either (1) the address listed on the incomplete or incorrect application or (2) the last known business address of record in the Commission's files if the incomplete or incorrect application contains no address.

(f) The Commission will provide reasonable accommodation to a qualified candidate for licensure with a disability in accordance with the Americans With Disabilities Act. The request for an accommodation by an individual with a disability must be
made in writing and received in the Commission's office by the application
deadline along with appropriate documentation, as indicated in the Commission's
Request for Disability Accommodation Guidelines.

(g) Whenever an applicant or a candidate for licensure submits to the Commission an
original application on paper for licensure as, including but not limited to, a
broker, an associate broker, a salesperson, a community association manager, a
sole proprietor firm, a corporation, a limited liability company, or a partnership or
for approval as a school or an instructor, the Commission shall maintain the paper
record for a period of 15 years and may then destroy the application. Whenever a
licensee submits any other application to the Commission on paper, the
Commission shall maintain the paper record for a period of one year and may then
destroy the application. The Commission shall maintain all electronic licensing
records for a period of at least 15 years.

(5) Application Deadlines.

(a) Any person who has taken the community association manager's examination and
successfully passed the examination and any person who has taken the
salesperson's examination and successfully passed the examination must make
application for an active or inactive license within three months from the date of
the examination taken, or after three months, must pay a fee equal to two times the
original application fee. Any person who fails to activate a community association
manager's or a salesperson's license by making application therefore within twelve
months from the date of the examination taken must retake the examination. In
addition to passing the qualifying examination, an applicant who applies for a
community association manager's license must submit evidence of successful
completion of the Community Association Manager's Prelicense Course (or an
approved equivalency as set forth in Chapter 520-2) and an applicant who applies
for a salesperson's license must submit evidence of successful completion of the
Salesperson's Prelicense Course (or an approved equivalency as set forth in
Chapter 520-2).

examination must activate a broker's or associate broker's license by making
application therefore within 12 months from the date of the examination taken, or
after 12 months must retake the examination. An applicant must show proof of
having held a license in active status for at least three years of the five years
immediately preceding the filing of an application to become a broker or an
associate broker. Applicants whose prior active licensure was in a licensing
jurisdiction other than Georgia must present an original certification of licensure
from that licensing jurisdiction; and if the applicant was a broker in that licensing
jurisdiction, the applicant must present an original certification of licensure of the
firm or firms the applicant served as broker. The certification of licensure must
have been issued no more than twelve months prior to the applicant's making application.

(6) **Name of Firm on Application.**

(a) A broker operating as a sole proprietor shall supply the Commission with the name in which the broker intends to conduct business on the broker's application for licensure as a sole proprietor and the same name shall be shown on the broker's certificate of licensure.

(b) Any corporation applying for licensure as a broker shall submit with its application a copy of its corporate charter as registered with the Corporation Division of the Secretary of State's Office. In the event a corporation wishes to conduct business under a trade name, it shall also submit with its application a certified copy of its trade name, certified to by the Clerk of the County in which such certificate is on file. The corporate name as is shown on the corporate charter, or the trade name which appears on said certified copy, if the corporation has filed a trade name registration, shall be shown on the broker's certificate of licensure issued to the corporation. In the event a corporation chooses to conduct business under a trade name or change the name under which it is conducting business at any time after issuance of its initial certificate of licensure, it shall submit a certified copy of its trade name; and such trade name shall be shown on a new broker's certificate of licensure issued the corporation.

(c) Any partnership applying for licensure as a broker shall submit with its application a copy of its partnership agreement and a certified copy of its Certificate of Trade Name, certified to by the Clerk of the County in which such certificate is on file. The trade name that appears on said certified copy shall be shown on the broker's certificate of licensure issued to the partnership.

(d) Any limited liability company applying for licensure as a broker shall submit with its application a copy of its certificate of authority to transact business in Georgia as issued by the Secretary of State's office. In the event a limited liability company wishes to conduct business under a trade name, it shall also submit with its application a certified copy of its trade name, certified to by the clerk of the county in which such certificate is on file. The limited liability company's name that appears on its certificate of authority to transact business in Georgia, or the trade name which appears on the certified copy of its trade name, if the limited liability company has filed a trade name registration, shall be shown on the broker's certificate of licensure issued to the limited liability company. In the event a limited liability company chooses to conduct business under a trade name or change the name on its certificate of authority to transact business in Georgia at any time after issuance of the initial certificate of licensure, it shall submit a certified copy of its trade name or a copy of its revised certificate of authority to
transact business in Georgia; and such new name shall be shown on its broker's certificate of licensure.

(e) The trade name of any franchisee applying for licensure as a broker shall include the franchise name in a manner reasonably calculated to discern it from any other firm registered with the Commission by including both the franchise name and either: said firm's name as it appears on its corporate charter, partnership agreement, or certificate of authority to transact business in Georgia; or said firm's trade name, unique from the franchise name, as registered with each county in which it is doing business.

(7) **Criminal History Report.** No more than 60 days prior to making application, each candidate for licensure or applicant for a license or an instructor approval shall obtain, at the expense of the candidate for licensure or applicant, and attach to the application for licensure or approval:

(a) a certified criminal history report issued by the Georgia Crime Information Center of the Georgia Bureau of Investigation, indicating whether the candidate for licensure or the applicant has any record of a criminal history;

(b) for candidates for licensure or applicants for licensure who have not lived in Georgia, a certified criminal history report from their resident state, province, or territory that is equivalent to the report required in sub-paragraph (a) of this sub-section.

If that report indicates that the candidate for licensure or the applicant has a record in another jurisdiction, or if the applicant is unable to obtain a report as set forth in subparagraph (b) of this sub-section, the applicant must, at the applicant's expense, provide any necessary fingerprints, fees, authorization, or other requirements for the Commission to obtain a Federal Crime Information Center report from the Federal Bureau of Investigation.

(8) **Applicants with Convictions.** Whenever a candidate for licensure or an applicant reveals that such candidate or applicant for licensure has a criminal conviction, as that term is defined in O.C.G.A. Section 43-40-15(b)(1)(A), and whenever any licensee is convicted of any offense that the licensee is required to report to the Commission, such candidate for licensure, applicant, or licensee must supply to the Commission a certified copy of:

(a) the citation, accusation, information, or indictment that led to the conviction; and

(b) a certified copy of the sentence.

(9) **Applicants with Disciplinary Actions.** Whenever a candidate for licensure or an applicant reveals that such candidate or applicant for licensure, has been the subject of a disciplinary action before any licensing agency, and whenever any licensee has been the subject of a disciplinary action before any licensing agency that the licensee is required to
report to the Commission, such candidate for licensure, applicant, or licensee must supply the Commission with a certified copy of:

(a) any allegations that preceded the final order; and

(b) the final order of that licensing agency.

(10) **Incomplete Applications.** The Commission, in its discretion, may deem an application for licensure as incomplete unless the requirements of paragraphs (1) and (2) are met and may elect not to process such an application unless and until those requirements are met.

(11) **Preliminary Decisions for Candidates for Licensure Having Convictions or Disciplinary Actions.** The Official Code of Georgia Annotated Section 43-40-15 provides in part that the Commission may deny a license to an applicant who has a prior criminal conviction(s) or a disciplinary action(s) imposed by any occupational licensing body. An applicant for licensure is a person who has met all experience, education, and examination requirements for the license sought. Because of the time and expense involved in becoming an applicant for licensure, the Commission affords an individual who has not yet become an applicant the opportunity to request that the Commission make a preliminary decision on the conviction(s) or the prior disciplinary action(s) before the individual takes the required education and examination for license. The purpose of a preliminary decision is merely to provide advisory guidance. Preliminary decisions are not binding. However, the Commission may elect to allow a favorable preliminary decision to become its final decision without further investigation or hearing when the individual becomes an applicant for licensure.

(a) **Required Information.** An individual seeking a preliminary decision must submit to the Commission a certified copy of any indictment and conviction or a disciplinary action imposed by another licensing regulatory authority. An individual seeking a preliminary decision may also provide the Commission with any additional information that the individual believes may assist the Commission in rendering a preliminary decision.

(b) **Adverse Preliminary Decisions.** A preliminary decision by the Commission that is unfavorable to the individual shall not prevent the individual from becoming an applicant for licensure by successfully completing all education, experience, and examination requirements for the license. Whenever the Commission denies a license based on a prior conviction or prior disciplinary action, it must provide the applicant the opportunity for notice and a hearing.

(12) **Request for hearing after Commission Denies an Application.** If the Commission denies an application for licensure or reinstatement of licensure after an applicant has met the age, education, and examination requirements as described in O.C.G.A. Section 43-40-8 and 43-40-9 and the Rules and Regulations of the Commission and has paid all required fees for the license, that applicant may request a formal hearing concerning that denial. The applicant must make that request in writing to the Real Estate Commission.
within sixty (60) days of the Commission's mailing notice to the applicant to the address on the application that the Commission has reviewed the applicant's application and voted to deny the application.

(a) If the applicant does not make written application for a formal hearing within sixty (60) days the application shall lapse and the applicant may not make another application for a license without again standing and passing any qualifying examination that may be required for that license and paying any required fees.

(b) If the applicant makes written application for a formal hearing within sixty (60) days and is granted the opportunity for a formal hearing and the Commission affirms its denial of the application, the applicant may not make another application for a license without again standing and passing any qualifying examination that may be required for that license and paying any required fees.

(13) **Military Spouses and Transitioning Service Member Applications.** Effective July 1, 2017, military spouses and transitioning service members may qualify for expedited processing of any license application submitted to the Commission by showing that the applicant is a military spouse or transitioning service member and that the applicant has paid the fee and meets the requirements for a license under the law and rules for the type of license for which the applicant has applied.

Rule 520-1-.05. Maintaining a License.

(1) **Required Education.** O.C.G.A. Section 43-40-8(d) requires that each salesperson must furnish to the Commission within one year of the issuance of an original salesperson's license evidence of satisfactory completion of a post-license course of study of at least 25 instructional hours (other than the Salespersons Prelicense Course or Brokers Prelicense Course) approved by the Commission. Salespersons must have completed such course:

(a) no earlier than one year before the date of issuance of the original salesperson's license, or

(b) no later than either:

1. one year after the date of issuance of an original salesperson's license or

2. eighteen months after the date of issuance of an original salesperson's license if the salesperson qualifies for the six month extension of time authorized by the O.C.G.A. Section 43-40-8(d).

(c) if the salesperson is a non-resident who has successfully completed in his or her state of residence a post-license course substantially similar to Georgia's Salespersons Post-license Course prior to the issuance of a Georgia salesperson's license (or in the first year after being issued such a license), then such course shall be deemed to have met the requirements of O.C.G.A. Section 43-40-8(d).

(d) In order to renew an active license, a licensee shall furnish to the Commission evidence of satisfactorily completing thirty-six (36) instructional hours of continuing education courses during the renewal period. The effective date of this requirement shall be July 1, 2015. Any licensee who renews an active license on or after this date must have completed thirty-six (36) hours of continuing education courses to renew.
(e) A licensee shall satisfactorily complete at least three (3) hours of continuing education on the topic of license law during each renewal period. The effective date of this requirement shall be July 1, 2016. Any licensee who renews an active license on or after this date must have completed at least three (3) hours of continuing education on the topic of license law in order to renew.

(2) **Active or Inactive License.**

(a) Every active Georgia associate broker, salesperson, and community association manager shall be licensed under an active Georgia broker; and said associate broker, salesperson, or community association manager cannot be licensed under more than one Georgia broker during the same period of time. An active Georgia associate broker, salesperson, or community association manager may also affiliate a license issued by another state's real estate licensing regulatory body with a broker in that state provided:

1. said state's laws allow affiliations in both states; and

2. said Georgia resident associate broker, salesperson, or community association manager has the written permission of the broker holding his Georgia license to affiliate with a broker in another state and said written permission clearly delineates (1) the duties that the licensee may undertake for each broker and (2) that the licensee may not undertake brokerage activity on property located in Georgia except in behalf of the active Georgia broker.

(b) After making an original application for licensure to the Commission, a salesperson or a community association manager shall not commence work in real estate brokerage activities until the broker has received the licensee's wall certificate of licensure.

(c) After a licensee makes application to change the status of his or her license to a broker of a sole proprietorship or qualifying broker of a corporation, limited liability company, or partnership, the applicant shall not commence work in real estate brokerage activities until the applicant has received the wall certificate of licensure for the sole proprietorship, corporation, limited liability company, or partnership.

(d) Any licensee whose license is released by a broker shall not engage in the activities of a real estate broker until the licensee:

1. affiliates his or her license with a new broker and mails a Change Application to the Commission; or
2. receives from the Commission a wall certificate of licensure authorizing the licensee to serve as the broker of a sole proprietorship or the qualifying broker of a corporation, limited liability company, or partnership.

(e) Any licensee who seeks to activate a license which has been on inactive status shall be required to have satisfactorily completed the continuing education requirements which would have been required if such licensee had been on active status or in lieu thereof, requalifying as an original applicant.

(f) This requirement shall not apply to an inactive licensee who can furnish to the Commission evidence that he or she has met the continuing education requirement for each renewal period that his or her license has been on inactive status.

(g) Every active licensee seeking to perform real estate brokerage activity must do so as a broker or on behalf of a real estate broker. Inactive licensees may not perform real estate brokerage activity on any real estate except real estate owned solely by the inactive licensee. Real estate brokerage activity includes sales, leasing, community association management services, property management services, and any of the activities identified under the definition of "Broker" in O.C.G.A. Section 43-40-1.

(h) The license law contains an exception (not available to licensees) that allows an unlicensed person who is a full-time employee of an unlicensed person to perform real estate brokerage activity on property owned by that unlicensed person's employer.

(i) A licensee may not place the licensee's license on inactive status and perform real estate brokerage activity for an unlicensed person. Whenever a real estate licensee wishes to be employed by an unlicensed person in order to perform real estate brokerage activity on real estate owned by that unlicensed person, such licensee must first surrender such licensee's license to the Commission and may not reinstate that license without first qualifying as an original applicant.

(j) A licensee on inactive status may be an employee of an unlicensed person to perform work other than real estate brokerage activity for the unlicensed person.

(3) Renewals. Unless renewal fees are paid, all licenses issued under the provisions of paragraph (1) of this Rule will lapse:

(a) in the case of an individual license, on the last day of the month of the birthday of the individual licensee and

(b) in the case of a firm licensed as a broker on the last day of the month of the fourth anniversary of its original licensure.
(4) **Reinstatement of Lapsed License.**

(a) Any licensee whose license lapses due to nonpayment of fees or failure to satisfactorily complete any of the education requirements of O.C.G.A. Chapter 43-40 shall be prohibited from engaging in real estate brokerage activities as defined in O.C.G.A. Section 43-40-1 until such time as the license is reinstated.

(b) Any licensee who has been exempt from the continuing education requirements of O.C.G.A. Section 43-40-8(e), and whose license has lapsed for longer than one year from the date of lapsing, and who reinstates it by paying the fees cited in Rule 520-1-.04(1) shall thereafter be subject to the continuing education requirements of O.C.G.A. Section 43-40-8(e).

(c) Any licensee who fails to pay a renewal fee and allows an active license to lapse may reinstate that license to active status within two years of the date of lapsing by paying the fees cited in Rule 520-1-.04(1), provided the licensee has satisfactorily completed the continuing education requirements which would have been required if such licensee had been on active status.

(d) Any licensee who fails to pay a renewal fee and allows an inactive license to lapse may reinstate that license to active status within two years of the date of lapsing by paying the fees cited in Rule 520-1-.04(1) provided the licensee has satisfactorily completed the continuing education requirements which would have been required if such licensee had been on active status.

(e) Any licensee who fails to pay a renewal fee and allows an inactive license to lapse may reinstate that license to inactive status within two years of the date of lapsing by paying the fees cited in Rule 520-1-.04(1).

(f) Any licensee who allows either an active or inactive license to lapse for a period longer than two years and less than five years from the date of lapsing may reinstate that license to active status by paying the fees cited in Rule 520-1-.04(1) and by satisfactorily completing the following educational course:

1. if the lapsed license is that of a community association manager, the Community Association Managers Prelicense Course;

2. if the lapsed license is that of a salesperson, the Salespersons Prelicense Course; or

3. if the lapsed license is that of a broker or associate broker, the Brokers Prelicense Course.

Courses taken to reinstate a license as provided in 1., 2. and 3. above must be taken within one year prior to making application for and paying the fees required for reinstatement.
(g) Any licensee who fails to pay a renewal fee and allows a license to lapse and who
does not elect to reinstate the license under the provisions of paragraph (4) (c), (d),
(e) or (f) of this Rule may reinstate the license by retaking and passing the
appropriate qualifying examination for that license including the national portion
of the examination.

(h) Any licensee whose license has lapsed a period of time longer than five years from
the date of lapsing due to a failure to pay required fees and who desires to re-
qualify for a license must do so as an original applicant.

(i) Any active licensee whose license lapses for not completing any continuing
education required for renewal of a license shall automatically upon paying a
renewal fee become an inactive licensee and subject to the rules which govern an
inactive license.

(j) Any salesperson whose license lapsed for failure to satisfactorily complete the 25
instructional hours of post-license education required by O.C.G.A. Section 43-40-
8(d) may reinstate the license only as provided in that Code section. Any such
salesperson whose license has lapsed for a period of time longer than five years
due to a failure to complete the post-license education requirements in a timely
manner and who desires to re-qualify for a license shall do so by re-qualifying as
an original applicant.

(k) Any licensee whose license lapses for any reason and who then applies to reinstate
that license or any licensee whose license is on inactive status and who then
applies to reactivate that license shall not commence work in real estate brokerage
activities until:
   1. if a broker, he or she has received the broker's certificate of licensure; or
   2. if a community association manager, salesperson, or associate broker, the
      broker with whom the licensee is affiliated has received the licensee's
      certificate of licensure.

(5) Notification of Legal Action and Change of Address.

(a) Every licensee shall notify the Commission in writing of the final disposition of
any administrative, civil, or criminal action filed in any court of competent
jurisdiction or any administrative agency whenever that final disposition involves
the subject matter of the offenses cited in O.C.G.A. Sections 16-13-111, 43-40-15,
or 43-40-25. Such notice of any administrative or civil action shall be given to the
Commission within ten (10) days of the conclusion of the court or administrative
proceedings and shall include a copy of any final order entered by the court or
agency. Such notice of any criminal action shall be given to the Commission
within ten days of any conviction and shall include a copy of the indictment,
accusation, and the conviction.
(b) Each licensee, approved school, or approved instructor must notify the Commission in writing within one month of any change in any such licensee's, approved school's, or approved instructor's mailing address or residence address, or email address if an email address is maintained by such licensee, approved school, or approved instructor.

(6) Nonresident Licensure and Brokerage.

(a) Nonresidents who meet the requirements prescribed in O.C.G.A. Section 43-40-9 and the Rules and Regulations of the Commission may be granted a nonresident's license.

(b) Licensees who remove their residency from this state to another state may qualify for nonresident licensure in accordance with O.C.G.A. Section 43-40-9 only if they make application to change their status from resident to nonresident, sign a Consent to Jurisdiction, and sign an agreement to cooperate with any investigation initiated by the Commission.

(c) A nonresident broker can serve as a qualifying broker for any corporation, limited liability company, or partnership licensed by the Commission. A nonresident broker can be the qualifying broker for an out-of-state corporation or limited liability company which becomes licensed by the Commission and is authorized by the Secretary of State's Corporation Division to do business in the State of Georgia.

(d) Licensees who move from this state to another state may elect to place their licenses on inactive status rather than seeking a nonresident's license to avoid termination of their license. Licensees who elect such inactive status may not then conduct brokerage business in this state until they have again become residents of this state and have complied with the reactivation provisions of O.C.G.A. Section 43-40-12 or have qualified for nonresident licensure as provided in paragraph (2) of this rule.

(e) Any nonresident licensee whose license lapses for failure to pay a renewal fee may reactivate that license by paying the fee required of an original applicant if such nonresident has maintained an active license in his or her state of residence during the period that his or her license lapsed and has met that state's continuing education requirements.

(f) No Georgia licensee may perform or attempt to perform any of the acts of a broker as defined in O.C.G.A. Section 43-40-1 on property located in another state without having first been properly licensed in that state or otherwise complied fully with that state's laws regarding real estate brokerage.

(g) An applicant for non-resident licensure must also comply with the requirements set forth in Rule 520-1-.04(3)(g).
(7) **Retention of Certificate of Licensure.** Upon making such request in writing to the Commission, any licensee who retires after twenty years of active licensure or the family of any licensee who is deceased shall be allowed to retain the licensee's wall certificate of licensure and pocket card for non-brokerage purposes.

(b) The licensee shall give to the owner or the owner's authorized agent a legible copy of every written property management agreement or other written authorization to manage real property at the time the signature of the owner is obtained; and the licensee's broker shall retain a copy.

(3) **Fidelity Bond or Insurance Required for Community Association Management.** Any broker who provides community association management services as defined in O.C.G.A. Section 43-40-1 and who collects, maintains, controls, has access to, or disburses community association funds shall be covered at all times under a fidelity bond or fidelity insurance policy that complies with the requirements of paragraph (a) below unless such broker at no time collects, maintains, controls, has access to, or disburses community association funds totaling more than $60,000.00;
(a) Any fidelity bond or fidelity insurance policy required by this rule shall:

1. be written by an insurance company authorized to write such bonds or policies in this state;

2. cover the maximum amount of funds that the broker providing community association management services collects, maintains, controls, has access to, or disburse at any time the bond or insurance policy is in effect, provided that at no time shall coverage be less than an amount equal to the sum of three months assessments due from all the members of the association or associations managed by the broker plus the amount of reserve funds that the community association or associations require the broker to maintain;

3. name the community association(s) as an additional named insured;

4. cover the broker and all partners, officers, licensed affiliates, and employees of the broker and may cover other persons collecting, maintaining, controlling, having access to, or disbursing community association funds as well; and

5. provide that the insurance company issuing the bond or policy may not cancel, substantially modify, or refuse to renew the bond or policy without giving thirty days prior written notice to the broker and to the community association; except that in the case of non-payment of premiums, no less than ten days prior written notice shall be given.

(b) Each broker shall maintain a separate fidelity bond or fidelity insurance policy for each community association for which the broker provides community association management services and collects, maintains, controls, has access to, or disburse community association funds or such alternate fidelity coverage as is acceptable to the Commission.

(c) Each broker shall maintain a copy of each fidelity bond or fidelity insurance policy along with a current certificate of each such bond or insurance policy showing current coverage and shall provide a copy thereof to the community association.

(4) Disclosure of Brokerage Relationships.

(a) No licensee shall buy or lease, nor take an option to buy or lease, any interest in property listed with the licensee or the licensee's firm on which the licensee or the licensee's firm has been requested to act as a broker, unless the licensee shall clearly disclose the licensee's position as a buyer to the seller or as a tenant to the landlord, as the case may be, and insert a clause to this effect in the contract.
Neither shall any licensee sell or lease or otherwise convey any interest in property owned by the licensee to any person, unless the licensee shall clearly disclose the licensee's position as a seller to the buyer or as a landlord to the tenant, as the case may be, and insert a clause to this effect in the contract.

(b) A licensee shall make or cause to be made a written disclosure to both buyer and seller or to both lessor and lessee, as the case may be, revealing the party or parties for whom that licensee's firm is acting as agent or dual agent and from whom that licensee's firm will receive any valuable consideration for its efforts as agent in the transaction. If the licensee's firm is not acting as an agent for either party, then the licensee shall make a written disclosure revealing from whom the licensee's firm will receive any valuable consideration for its efforts in the transaction. The written disclosures required by this paragraph must be made in a timely manner, but in any event not later than the time that any party first makes an offer to purchase, to sell, to lease, or to exchange real property.

Rule 520-1-.07. Management Responsibilities of Real Estate Firms.

(1) **Name of Firm.** A broker shall not conduct business under any name other than the one in which the broker's license is issued.

(2) **Responsibilities of Brokers or Qualifying Brokers.**

   (a) A real estate broker or qualifying broker shall be held responsible for any licensee whose license is affiliated with the broker or the broker's firm who violates any of the provisions of O.C.G.A. Chapter 43-40 and its attendant Rules and Regulations.
Every broker or qualifying broker shall be responsible to instruct licensees affiliated with the broker or the broker's firm of the provisions set forth in the License Law and its Rules and Regulations.

The broker or qualifying broker shall notify the Georgia Real Estate Commission of any violation of the License Law and its Rules and Regulations.

(3) Change of Qualifying Broker.

(a) Whenever the qualifying broker of a partnership, limited liability company, or corporation dies, resigns, or is discharged unexpectedly, the partnership, limited liability company, or corporation must secure a new qualifying broker within 60 days or cease all real estate brokerage activity until it does secure a new qualifying broker.

(b) During the period of time that the firm is seeking a new qualifying broker to replace a qualifying broker who dies, resigns, or is discharged unexpectedly, the firm must designate a partner, if a partnership; a member, if a limited liability company; or an officer, if a corporation, to sign any documents and applications which must be filed with the Commission and to disburse trust funds from the firm's designated trust account(s) as may be required by any contracts or agreements authorizing the firm to hold such trust funds.

(4) Qualifying Brokers Affiliated with Multiple Firms.

(a) A person licensed by the Commission as a broker or qualifying broker for a licensed firm may serve as the broker or qualifying broker with one or more other licensed firms.

(b) A person licensed as an associate broker and affiliated with a licensed firm may serve as the broker or qualifying broker for one or more other licensed firms provided such person has notified in writing the broker with whom he or she is affiliated as an associate broker of his or her intended services as a broker or qualifying broker with another firm.

See also O.C.G.A. §§ 43-40-2, 43-40-14, & 43-40-25.

(5) Transferring Licensees Into or Out of a Firm.

(a) Any broker seeking to have a licensee affiliate with the broker's firm shall enter into a written agreement specifying the terms under which the licensee will be compensated for work during the time of their affiliation and specifying how the licensee will be compensated for work begun but not completed prior to the termination of their affiliation. Other than to determine that such agreements are
entered into by licensees and their broker, the Commission shall not regulate the content of such agreements or enforce the provisions of such agreements. A dispute between licensees as to whether the terms of this agreement have been met shall not be grounds for the broker's refusal to sign a release and to forward the wall certificate of licensure to the Commission nor for either party to file a complaint with the Commission.

(b) When a licensee requests that a release form be signed, the releasing broker shall immediately sign the release and forward the wall certificate of licensure of the departing licensee to the Commission or notify the Commission in writing that the wall certificate of licensure has been forwarded to the new broker for whom the licensee will act. If a licensee assumes the responsibility of delivering the wall certificate to a new broker, then the wall certificate must be delivered as soon as practically possible after the licensee receives it from the releasing broker.

(c) Any licensee transferring shall not take, nor have in the licensee's possession, nor use any written brokerage engagement secured through the office or through licensed affiliates of the releasing broker, unless specifically authorized by the broker. The names of all prospective customers or clients given in writing to the departing licensee during the tenure of the affiliation with the releasing broker shall be accounted for to that broker. All plats of property, keys and other property which the releasing broker owns or for which the releasing broker is responsible,"for sale" signs, notebooks, listing cards, or records of any kind that have been used in connection with the listing or selling of property or with the management of property or community associations shall be returned in person by the departing licensee to the person designated by the releasing broker. Any broker seeking to have a licensee affiliate with the broker's firm shall enter into a written agreement expressing the terms under which the provisions of this paragraph shall be fulfilled upon the licensee's transferring from the broker. Failure of a departing licensee to meet the requirements of this paragraph shall not be grounds for the broker's refusal to sign a release and to forward the wall certificate of licensure to the Commission, but shall be grounds for the filing with the Commission of a formal written complaint against the departing licensee.

(d) Whenever a broker returns to the Commission a wall certificate of licensure of a licensee affiliated with the broker's firm, the certificate shall be accompanied by a release signed by both the broker or authorized associate broker and the licensee or by a signed statement that such a release has been signed by both parties. The licensee shall then transfer the license to another broker or apply to place the license on inactive status within one month of the Commission's receipt of the licensee's wall certificate of licensure. If a broker is releasing a licensee for reasons other than the licensee's request and is unable for any reason to obtain the licensee's signature on the release, the broker or authorized associate broker shall send to the Commission a copy of a letter from the broker or authorized associate broker mailed to the licensee's last known address indicating that the broker is
returning the license to the Commission. The broker's letter to the licensee should state clearly that the licensee has one month from the Commission's receipt of the licensee's wall certificate of licensure to apply to transfer to another broker or to apply to place the license on inactive status.

(e) Whenever a licensee decides to terminate an affiliation with a firm, such licensee may not have any contact with any of the firm's clients that the licensee is serving under a listing, a management agreement, or other brokerage engagement until the expiration of such a brokerage engagement, except as may be expressly approved in writing by the broker or qualifying broker of the firm that the licensee is leaving.

(f) Applications for sponsoring broker forms and applications for transfer or release may be signed only by the broker or an associate broker if the broker permits the associate broker such authority in writing. Such written authority shall be permanently maintained by the broker.

(g) Duplicate certificates of licensure and/or pocket cards shall be issued upon satisfactory proof of loss of the original.

(a) Whenever a firm or a licensee who is affiliated with a firm engages support personnel to assist the firm or the affiliated licensee in the conduct of the real estate brokerage business, both the firm and the affiliated licensee are responsible for the acts of the support personnel and for assuring that the support personnel comply with the requirements of this rule and the license law. Support personnel may not perform any real estate brokerage activities of a real estate licensee when engaged as support personnel and may perform only ministerial duties, those that do not require discretion or the exercise of the support personnel's own judgment.

(b) Nothing in this rule shall prohibit an individual employed by a firm to assist in the management of property from undertaking those activities permitted by O.C.G.A. Section 43-40-29(10).

(c) An individual actively licensed with one firm may work as support personnel for a different firm or for a licensee(s) of a different firm with the written consent of the broker of each firm. An individual whose license is on inactive status may work as support personnel for a firm or any affiliated licensee.

(d) Any firm which employs (or engages under an independent contractor agreement) support personnel to assist such firm or an affiliated licensee of said firm in carrying out his or her real estate brokerage activities must:
1. enter into a written agreement with the support personnel specifying the duties that the support personnel may undertake on behalf of the firm or an affiliated licensee of the firm and the tasks that support personnel are prohibited from performing on behalf of the firm or an affiliated licensee of the firm;

2. if applicable, enter into a written agreement with the affiliated licensee authorizing the use of the support personnel, specifying the duties that the support personnel may undertake on behalf of the affiliated licensee of the firm and the tasks that support personnel are prohibited from performing, and approving any compensation arrangement the affiliated licensee has with the support personnel;

3. if applicable, assure that the affiliated licensee of the firm and the support personnel have entered into a separate written agreement specifying the duties that the support personnel may undertake on behalf of the affiliated licensee of the firm, the tasks that support personnel are prohibited from performing, and the compensation arrangement the affiliated licensee has with the support personnel.

(e) In order to provide reasonable guidelines for firms, affiliated licensees and support personnel, but without defining every permitted or prohibited activity, the Commission has identified the following tasks that support personnel may perform:

1. answer the telephone and forward calls and emails to a licensee;

2. submit data on listings to a multiple listing service;

3. check on the status of loan commitments after a contract has been negotiated;

4. assemble documents for closings;

5. secure documents that are public information from a courthouse and other sources available to the public;

6. have keys made for firm listings and install or remove lock boxes from firm listings;

7. write advertisements and promotional materials for the approval of the firm and any affiliated licensee;

8. place advertisements in the media as defined in Rule 520-1-.09(1)(b) and as directed by the firm;
9. record, and deposit earnest money, security deposits, and rents;
10. type contract forms as directed by the firm or affiliated licensee of the firm;
11. monitor personnel files and license reports from the Commission;
12. compute commission checks;
13. place signs on real estate and remove such signs;
14. order items of routine repair as directed by the firm or affiliated licensee;
15. act as courier for such purposes as delivering documents or obtaining documents and keys;
16. schedule appointments with an owner or an owner's agent in order for a licensee to show listed real estate;
17. arrange dates and times for inspections;
18. arrange dates and times for a mortgage application, a pre-closing walk through, or a closing;
19. schedule an open house;
20. accompany a licensee to an open house or a showing only for security purposes; or
21. perform physical maintenance on real estate.

(f) The Commission has identified the following tasks that support personnel shall not perform:
  1. make cold calls by telephone, in person, or through any media as defined in Rule 520-1-.09(1)(b) or otherwise contact the public for the purpose of securing prospects for listings, leasing, sales, exchanges, or property management of real estate;
  2. host open houses, kiosks, home show booths, or fairs;
  3. prepare promotional materials or advertisements without the review and approval of an affiliated licensee and firm;
  4. show real estate;
5. answer any questions on title, financing, or closings (other than the time and place);

6. answer any questions regarding a listing except for information on price and amenities expressly authorized in writing by the licensee;

7. discuss or explain a contract, listing, lease, agreement, or other real estate document with anyone outside the firm;

8. negotiate or agree to any commission, commission split, management fee, or referral fee on behalf of a licensee;

9. discuss the attributes or amenities of real estate, under any circumstances, with a prospective purchaser or lessee;

10. discuss with the owner of real estate, the terms and conditions of the real estate offered for sale or lease;

11. collect or hold deposit monies, rent, other monies or anything of value received from the owner of real estate or from a prospective purchaser or lessee; or

12. provide owners of real estate or prospective purchasers or lessees with any advice, recommendations or suggestions as to the sale, purchase, exchange, or leasing of real estate that is listed, to be listed, or currently available for sale or lease.

(g) Unlicensed support personnel or inactive licensed support personnel shall not hold themselves out in any manner, orally or in writing, as being actively licensed or affiliated with a particular firm or real estate broker as a licensee.

(7) Sharing Commissions with Non-Resident Brokers. A licensed broker in this state is hereby permitted to divide or share a real estate commission with a licensed broker in another state. If a broker licensed in another licensing jurisdiction refers prospective clients or customers to a Georgia broker, the Georgia broker may pay a fee to such licensed broker. Such brokers who refer prospective clients or customers to a Georgia broker may not perform any of the other acts of a broker with regard to property located in this state unless they first obtain a nonresident's license or enter into a written agreement with a Georgia broker as permitted by O.C.G.A. Section 43-40-9.

Rule 520-1-.08. Managing Trust Accounts and Trust Funds.

(1) The Designated Trust or Escrow Account.
   
   (a) Brokers may maintain more than one designated trust or escrow account. Brokers shall notify the Commission of the name of the financial institution in which each account is maintained and each account's name or number within one month of opening each account.

   (b) A licensee shall place all cash, checks, or other items of value received by the licensee in a brokerage capacity into the custody of the broker holding the licensee's license as soon after receipt as is practicably possible.

   (c) A licensee shall place all cash, checks, or other items of value received by the licensee when the licensee is acting in the capacity of principal in the sale of interests in real estate owned by such licensee and all security deposits received on property owned by the licensee into the custody of the broker holding the licensee's license or in a trust account approved by that broker as soon after receipt as is practicably possible.

   (d) Unless otherwise agreed to in writing by the party or parties at interest, the broker holding such cash or checks shall promptly deposit said funds in a federally insured account designated by the financial institution as a trust account and registered with the Commission and shall make appropriate arrangement for the safekeeping of any items of value received other than cash or checks. If the broker elects to deposit any funds into an interest-bearing trust account, the broker shall obtain the written agreement of the parties indicating to whom the broker shall pay any interest earned on trust funds deposited into that interest-bearing account prior to depositing those funds into such an account.

   (e) A broker may maintain the broker's own funds in a designated trust or escrow account only when they are clearly identified as the broker's deposit and only for the following purposes:
1. If the financial institution in which the account is maintained designates a specific minimum balance that must be maintained in order to keep the account open, the broker may maintain that amount in the account designated as the broker's funds.

2. If the financial institution in which the account is maintained requires a service charge be paid for the account, the broker may maintain in the account in the broker's name a reasonable amount to cover that service charge. The broker may also maintain in the account in the broker's name a reasonable amount sufficient to cover other occasional financial institution charges and costs of maintaining the account including but not limited to charges for blank checks and deposit slips and fees for return of deposited checks which fail to clear.

3. A broker may allow commissions due the broker that are being paid from funds of others held in the broker's designated trust or escrow account to remain in the account provided that:
   
   (i) the broker's accounting system for trust or escrow accounts designates those commissions as the broker's funds and properly accounts for them and
   
   (ii) each month the broker removes from the account any of the broker's funds that exceed the minimum necessary to comply with subparagraph (a) or (b) above.

4. Only checks made payable to the broker may be used to withdraw monies designated as the broker's funds from the designated trust or escrow account.

(2) Accounting Requirements.

(a) Every broker required by O.C.G.A. Section 43-40-22 to maintain a trust or escrow account shall maintain an accounting system in which each trust or escrow deposit is detailed in the following manner:

1. Names of buyer and seller or tenant and landlord or member and community association or broker.

2. Amount and date of deposit.

3. Identification of property involved.

4. The amount, payee and date of each check drawn on the escrow account in connection with that deposit.
(b) Licensees may meet the accounting requirements of this or any other Commission rule with either manual or electronic accounting systems as the efficiency of the firm's business operations dictate. However, whether a manual or electronic, the accounting system must:

1. include all the components required by law and sound business practices,
2. be readily accessible,
3. be in a readily understandable format, and
4. be reasonably available to any authorized representative of the Commission.

(3) Disbursements.

(a) A broker who disburses trust funds from the broker's designated trust or escrow account contrary to the terms of a contract for the sale or rental of real estate, or other contract creating the escrow, or who fails to disburse trust funds according to the terms of any contract creating the escrow, will be considered by the Commission to have demonstrated incompetence to act as a real estate broker in such manner as to safeguard the interest of the public.

(b) A broker who disburses trust funds from a designated trust account under the following circumstances shall be deemed by the Commission to have fulfilled properly the broker's duty to account for and remit money which the broker is required to maintain and deposit in a designated trust account:

1. upon the rejection of an offer to buy, sell, rent, lease, exchange, or option real estate;
2. upon the withdrawal of an offer not yet accepted to buy, sell, rent, lease, exchange, or option real estate;
3. at the closing of the transaction;
4. upon securing a written agreement which is signed by all parties having an interest in the trust funds and is separate from the contract which directs the broker to hold the funds;
5. upon the filing of an interpleader action in a court of competent jurisdiction;
6. upon the order of a court of competent jurisdiction; or
7. upon a reasonable interpretation of the contract which directed the broker to deposit the funds.
(c) A broker shall not disburse funds from a designated trust account as provided in paragraph (b) until the broker has reasonable assurance that the financial institution has credited the funds to the broker's trust account. When a broker makes a disbursement to which all parties to the contract do not expressly agree, the broker must immediately notify all parties in writing of the disbursement.

(d) A broker who claims any part of the earnest money or other money paid to the broker in connection with any real estate transaction as part or all of the broker's commission or fee shall be deemed by the Commission to have complied with O.C.G.A. Section 43-40-20(e) if:

1. in a sales transaction, the transaction has closed or the date of closing specified in the sales agreement and any extensions of that date have passed;

2. in a lease or rental transaction, possession has been delivered to the tenant;

3. in a lease/purchase transaction, the sales transaction has closed or the date of closing specified in the sales agreement and any extensions thereof have passed; or 4. the broker has secured a written agreement, separate from the sales contract or lease agreement, signed by all parties having an interest in the transaction who have agreed that the broker is entitled to any commission.

(e) All refunds of earnest money must be paid by check or credited at the closing of a transaction.

(f) The total of all checks written against each deposit should reflect a zero balance in the designated escrow or trust account relating to the closing of each individual transaction except when a portion of the deposit is transferred to the broker's name for the purpose of satisfying a commission. When such a transfer is made, the total of that transfer and all checks written against that deposit should reflect a zero balance.

(g) If a licensee who owns a designated trust account files a bankruptcy petition, such licensee shall immediately notify the Commission in writing of the filing of that petition. If a qualifying broker or the firm that a licensee serves as qualifying broker files a bankruptcy petition, such qualifying broker shall immediately notify the Commission in writing of the filing of that petition.

(4) **Trust Accounts for Property Management or Association Management.** Brokers who manage real property or community associations may maintain designated rental or assessment trust or escrow accounts separate from their other trust or escrow accounts.
(a) In paying bills on behalf of an owner or an association from any designated rental or assessment escrow or trust account, there must be enough money credited and deposited to the owner's or the association's account to cover said bill.

(b) Security deposits, if kept in a designated rental trust or escrow account, must be clearly identified and credited to the tenant and there must always be a balance in the account equal to the total of said security deposits.

(c) A licensee who manages rental property which the licensee owns must maintain any security deposits collected in a designated trust account and may not post a bond in lieu of maintaining such security deposits in a designated trust account.

(5) Examination of Trust Accounts by the Commission. O.C.G.A. Section 43-40-20 provides that each broker required to maintain a designated trust or escrow account shall authorize the Commission to have that designated trust or escrow account(s) examined by a duly authorized representative of the Commission during each renewal period or at such other time as the Commission may direct upon reasonable cause.

(a) With regard to the members of the Commission who are required to maintain such designated trust accounts, this examination may be done either:

1. by the Commission member's engaging and paying a Certified Public Accountant to examine the broker's designated trust account or accounts to determine that that account is maintained in accordance with this rule and any other applicable rules, regulations, or statutes; or

2. by the Real Estate Commissioner's engaging the services of an independent accountant to examine a member's designated trust account or accounts to determine that the account is maintained in accordance with this rule and any other applicable rules, regulations, or statutes.

(b) Upon being contacted by the Commission's staff for purposes of conducting an examination of a trust account or accounts, a broker may elect to provide the Commission with a report on the broker's designated trust account(s) from a Certified Public Accountant in lieu of an examination by a duly authorized representative of the Commission. The Commission, in its discretion, may elect not to accept such a report and conduct its own examination. The report of the Certified Public Accountant must take the following form:

_______________________________

(Date)

I, ________, a Certified Public Accountant, have this date examined the real estate brokerage trust accounts of __________ for the time period of ________ to ________ and find the handling of funds in these accounts to be in compliance
with O.C.G.A. Sections 43-40-20 and 43-40-25(a)(3),(4),(5), and (23) and Rules 520-1-.26, 520-1-.30, and 520-1-.34 of the Georgia Real Estate Commission.

(Attach a statement explaining items, if any, which do not appear to be in compliance.) Said firm maintains the following real estate brokerage trust accounts:

(list account numbers and financial institution names)

Certificate Number Signature of Certified Public Accountant

Affirmed by Broker

(c) Copies of accounting system entries for trust or escrow accounts, financial institution deposits, financial institution statements, receipts and other documents related to designated trust or escrow accounts shall be made available to authorized agents of the Commission upon reasonable request and at a reasonable cost to the Commission.

(6) **Monthly Reconciliation of Trust Accounts.** A broker required to maintain a trust or escrow account shall cause to be made, at least monthly, a written reconciliation statement comparing the broker's total trust liability with the reconciled financial institution balance(s) of the broker's trust account(s). The broker's trust liability is the sum total of all deposits received, required by contract to deposit, and being held by the broker at any point in time.

(a) The minimum information to be included in the monthly reconciliation statement shall be the date the reconciliation was undertaken, the date used to reconcile the balances, the name of the financial institution(s), the name(s) of the account(s), the account number(s), the account balance(s) and date(s), any deposit(s) in transit, the amounts of any outstanding check(s) identified by date and check number, an itemization of the broker's outstanding trust liability showing the amount and source of funds received and not yet disbursed, and other items necessary to reconcile the financial institution account balance(s) with the balance in the broker's checkbook(s) and with the amount of the broker's trust liability. The broker shall review the monthly reconciliation statement and maintain copies in the broker's files for a period of three years.

(b) Whenever the trust liability and the financial institution balances do not agree, the reconciliation statement shall contain a description or explanation for the difference(s) and any corrective action(s) taken with reference to shortages or overages of funds in the account(s). Whenever a trust financial institution account record reflects a service charge or fee for a non-sufficient check being returned or whenever an account has a negative balance, the reconciliation statement shall disclose the cause(s) of the returned check or negative balance and the corrective action(s) taken.
(7) **Renewal Trust Account Examination.** When renewing a broker's license, a broker shall submit, along with the renewal application:

(a) a summary of data on the broker's trust account(s) on a form prepared by or approved by the Commission or

(b) a report on the broker's designated trust account(s) from a Certified Public Accountant. The report of the Certified Public Accountant must take the form provided for in paragraph (10) of this Rule.

(8) **Abandoned Funds in a Trust Account.** Whenever a real estate licensee believes that a person who placed trust funds in the licensee's care has abandoned those funds, the licensee may not disburse those funds from a trust account unless:

(a) the licensee's written authorization to hold those funds requires a particular disbursement;

(b) the licensee has complied with the requirements of the Disposition of Unclaimed Property Act, O.C.G.A. Section 44-12-191, et seq.; or

(c) the licensee has complied with such other statutory or court ordered requirements as may be appropriate to the circumstances.

See also O.C.G.A. §§ 3-40-2, 43-40-20, 43-40-21, & 43-40-25.

(9) **Trust Account Requirements for Non-Broker Licensee Owned Property.** O.C.G.A. Section 43-40-20(h) authorizes a non-broker licensee to open a trust account for the deposit of trust funds received on properties the non-broker licensee owns if the broker holding the non-broker licensee's license approves the opening of such an account and if the non-broker licensee provides the broker with regular reports accounting for the funds in such an account. The Commission shall deem a property "owned by a licensee" if the deed for such property reflects either (a) only the name of the licensee or (b) only the name of a business entity of which the licensee is the sole owner, member, or stockholder. Whenever a licensee (a) owns any interest in a property that is less than one hundred percent and (b) receives any trust funds on such property, such licensee must deposit those trust funds into the trust account of a firm licensed under this chapter.
Rule 520-1.09. Advertising.

(1) Definitions.

(a) Advertising or Advertisement. For the purposes of this Rule, the term "advertising" or "advertisement" means any manner, method, or activity by which a licensee through the use of any media makes known to the general public real estate for sale, rent, lease, or exchange.

(b) Media. For the purposes of this Rule, the term "media" includes, but is not limited to, print, photographs, broadcast, and the Internet including, but not limited to, such examples as newspapers, magazines, flyers, posters, business cards, billboards, radio, videos, television, signs (including office, directional,"for sale," "for lease," "sold," or vehicle signs), newsletters, voicemail, email, facsimile transmissions, Internet websites, blogs, video blogs, property listing database services, email farming, news groups, discussion lists, bulletin boards, social networking/social media, instant text messages, multimedia advertising, banner ads, pop-ups, and similar media.

(2) Misleading Advertising. Any advertising that is misleading or inaccurate in any material fact or in any way misrepresents any real estate is prohibited. Whenever a licensee becomes aware that a principal with whom the licensee's firm has a brokerage engagement is advertising to sell, buy, rent, lease, or exchange real estate in such a manner that is inconsistent with this rule, the licensee must immediately take steps to stop the advertising until it complies with this rule.

(2.1) Advertising by Affiliated Licensees. All advertising by associate brokers, salespersons, and community association managers must be under the direct supervision of their broker and in the name of their firm.

(3) Written Permission to Advertise. A licensee shall not advertise any real estate for sale, rent, lease, or exchange unless the licensee has first secured the written permission of the owner, the owner's authorized agent, or the owner of a leasehold estate. When such permission is granted, a licensee advertising real estate that is listed with another firm shall clearly and conspicuously disclose that fact and the name of the listing firm unless the listing firm has expressly agreed in writing to waive those clear and conspicuous disclosures.

(4) Discriminatory Advertising Prohibited. A licensee shall not advertise to sell, buy, exchange, rent, or lease real estate when such advertisement is directed at or referred to
persons of a particular race, color, religion, sex, handicap, familial status, or national origin. The contents of any advertisement must be confined to information relative to the real estate itself, and any advertisement that is directed at or referred to persons of any particular race, color, religion, sex, handicap, familial status, or national origin is prohibited.

(5) **Internet Advertising.** In addition to the unfair trade practices found in O.C.G.A. § 43-40-25(b)(1),(2),(11),(12) and (21) or any other requirements found in this Rule, any advertising on the Internet by a licensee of real estate for sale, rent, lease, or exchange shall disclose the name and telephone number of the licensee's firm on every viewable web page of a website except as herein otherwise provided.

(a) When advertising in electronic messages of limited information or characters, a license shall provide a direct link to a display that is in compliance with this Rule.

(b) When advertising real estate for sale, rent, lease or exchange on an internet website not owned or controlled by the licensee or firm with which the licensee is affiliated and that website's terms of use limit the licensee's ability to comply with this paragraph, the advertising shall provide a direct link to a display that is in compliance with this Rule on every viewable webpage of the website.

(c) Information on a website maintained by a licensee that is outdated shall be updated or removed from the website within thirty (30) days of the information becoming outdated.

(d) If a licensee's website is maintained by an authorized third party (other than its firm or its franchisor's webmaster), the licensee shall provide to the third party, a timely written notice, by mail, fax, or electronic means, of any updates to outdated information or information to be removed from the website, so that such updates or information removal may be accomplished in accordance with this Rule. A licensee who provides such timely notice shall not be in violation of this Rule if the third party fails to effect an information change as notified.

(e) The requirements of this Rule apply to advertising and information on a website that is within the licensee's ownership or direct control. No licensee shall be responsible for any information taken from the licensee's website, or other advertising, if placed on a website, or in other advertising outside the licensee's ownership and/or direct control and without the licensee's consent.

(6) **Trade Names and Franchise Names.** For purposes of this rule the term trade name shall include trade mark and service mark; and the term advertising shall include, but is not limited to, advertising done by others on behalf of the licensee.

(a) Any firm using a trade name or any franchisee in advertising specific real estate for sale in any media shall clearly and unmistakably include the firm's name as registered with the Commission in a manner reasonably calculated to attract the attention of the public. The firm's name shall appear adjacent to any specific real
estate the firm advertises for sale so that the public may unmistakably identify the firm listing the specific real estate. In advertising real estate for sale, rent, or exchange, the name of the firm offering the real estate for sale, rent, or exchange shall appear in equal or greater size, prominence, and frequency than the name or names of any affiliated licensees or groups of licensees.

(b) Any firm using a trade name or any franchisee shall clearly include the firm's name as registered with the Commission on any contracts or other documents relating to a real estate transaction.

(c) Any firm using a trade name or any franchisee shall clearly include the firm's name as registered with the Commission on office signs.

(7) **Firm Names and Telephone Numbers in Advertising.** In advertising specific real estate for sale, rent, or exchange in any media:

(a) firms must include in the advertisement a name of the firm as registered with the Commission and a telephone number for the firm, except when complying with lawful restrictions (such as covenants or local governmental ordinances) that forbid the use of the firm's name on a particular type of sign;

(b) the name of the firm advertising the real estate for sale, rent, or exchange shall appear in equal or greater size, prominence, and frequency than the name or names of any affiliated licensees or groups of licensees;

(c) the firm's telephone number shall appear in equal or greater size, prominence, and frequency than the telephone number of any affiliated licensee or groups of licensees, and it must be a number at which the public can reach a broker or a manager of the firm without going through the affiliated licensee(s) listed in the advertisement;

(d) whether contained in a logo or standing alone, the name of the firm must be in equal or greater size, prominence, and frequency than the name of any affiliated licensee or group of licensees; and

(e) a block advertisement in any print media that advertises various listings of a firm and includes the name of the listing agent next to each listing shall be in compliance with this rule if the name of the firm appears only once at the top of the advertisement in equal or greater prominence and print size than any of the listing agent's names. The firm's name may be located in other positions in such block advertisements if the firm name appears clearly larger and more prominently than the name of any other licensee in the advertisement.

(8) **Licensees Advertising as Principals.** A licensee shall not advertise to sell, buy, exchange, rent, or lease real estate in a manner indicating that the offer to sell, buy,
exchange, rent, or lease such real estate is being made by a private party not licensed by the Commission.

Every associate broker, salesperson, and community association manager is prohibited from advertising under the licensee's individual name to buy any real estate or offer for sale, rent, or lease any real estate. All advertising by associate brokers, salespersons, and community association managers must be under the direct supervision of their broker and in the name of their firm. However, when a licensee wishes to advertise real estate owned by the licensee and which is not under a brokerage engagement, the licensee may do so provided:

1. if the licensee's license is affiliated with a firm, the broker holding the licensee's license has been notified in writing of the specific real estate to be advertised;

2. if the licensee's license is affiliated with a firm, the broker gives written consent to advertising the specific real estate and approves the advertisement itself; and

3. regardless of whether the licensee's license is affiliated with a firm or on inactive status, any advertisement must include either (a) the legend "seller, buyer, landlord, tenant (select the appropriate name) holds a real estate license" or (b) the legend "Georgia Real Estate License # (insert licensee's six digit number; for example,000001)." "Georgia Real Estate License" may be abbreviated to "GA R. E. Lic."

(9) **Licensees Advertising Approved Schools.** A licensee shall not advertise that such licensee offers, sponsors, or conducts Commission approved courses or that such licensee offers, sponsors, or conducts Commission approved courses in conjunction with an approved school or other approved organization unless the licensee is approved by the Commission to offer such courses.

(10) Notwithstanding any other provision of this Rule, a licensee shall make every reasonable attempt in advertising to assure the public knows that they are being contacted by a licensee.

Rule 520-1-.10. Handling Real Estate Transactions.

(1) **Presenting Offers.** A licensee shall promptly tender to any customer or client any signed offer to purchase, sell, lease, or exchange property made to such client or customer. In a transaction in which the offeror is not a client or customer of the licensee, the licensee receiving an offer must provide a copy of the offer to the licensee working with or representing the offeree. However, a licensee who obtains an offer may negotiate a sale, exchange, or lease directly with an owner, a lessor, a purchaser, or a tenant if the licensee who obtains the offer knows that such offeree has a written outstanding agreement in connection with such property that expressly provides the other licensee will not provide negotiation services to the offeree.

(2) **License Numbers in Offers.** A licensee preparing or signing a brokerage engagement or an offer to purchase, sell, lease, or exchange real property shall include the license number issued by the Commission of each firm and of each licensee participating in the transaction. The licensee shall include the six digit license number issued by the Commission.

(3) **Responsibility to Distribute Copies.** A licensee shall provide a copy of any document utilized in a real estate transaction to any individual signing such document. If any offer to purchase, sell, lease, or exchange is accepted and signed by all parties, copies of that document shall be properly distributed, one to each person signing the document and one to each brokerage firm involved in the transaction.

(4) **Retention of Copies of Records and Documents.** Copies of sales contracts, brokerage engagements, closing statements, leases, and other documents related to a real estate transaction required by law to be maintained in a broker's file for three years shall be made available to authorized agents of the Commission upon reasonable request and at a reasonable cost to the Commission. Brokers that must keep copies of the documents cited in this paragraph include:

(a) any broker identified in a sales contract, brokerage engagement, closing statement, lease, or other document related to a real estate transaction;

(b) any broker firm that participates in the negotiations involving a sales contract, brokerage engagement, lease, or other contractual document related to a real estate transaction; and
(c) any broker required by O.C.G.A. Section 43-40-20 to maintain a trust account.

Copies of documents and other records which licensees are required by law and the Commission's rules to maintain may be maintained in any records storage system that utilizes paper, film, electronic, or other media provided that:

(a) the licensee can produce true and correct copies of such documents and records and
(b) copies of such documents and records can be made available to an authorized representative of the Commission upon reasonable request and at reasonable cost to the Commission.

(5) **Falsification of Transaction Documents and Misleading Representations Prohibited.**

No licensee shall falsify or be a party to the falsification of a document involved in a real estate transaction or knowingly represent, either verbally or in writing, to a principal or any interested third party:

(a) an amount other than the true and actual sales, lease, or exchange price;
(b) an amount other than the true and actual downpayment;
(c) an amount other than the true and actual earnest money, security deposit, or other trust funds or that such trust funds have been tendered in any form other than its true and actual form;
(d) a payment of trust funds in cash when in fact some other method of such is made; or
(e) an artifice, contrivance, or machination with the intent to deceive.

Any or all such practices shall constitute a misrepresentation.

(6) **Disclosure of Commissions, Fees, Rebates, or Other Valuable Consideration.**

(a) The disclosures required by O.C.G.A. § 43-40-25(b)(6) from a licensee to a principal may be made in advance of the payment or receipt of a commission, fee, rebate or thing of value to a licensee based upon pre-established terms set forth in a brokerage agreement, a brokerage engagement agreement, management agreement or other written agreement.

(b) In a transaction where a licensee refers a principal to another broker for brokerage or relocation services (and the broker to whom the principal is referred knows of the referral and the referring licensee's expectation of receiving a commission, fee or other thing of value for the referral), the payment of a commission, fee or other thing of value to the referring licensee by the broker working with the principal shall be disclosed in writing to the principal by the broker to whom the referral
was made no later than at the closing of the purchase, sale, exchange, or lease, of any property in a transaction where a commission, fee or other thing of value will be paid by the broker to the referring licensee.

(c) The disclosures required in O.C.G.A. § 43-40-25(b)(6)(c) shall be in addition to any requirements of federal law pertaining to the payment or receipt of anything of value for the referral of any service or product in a real estate transaction.

(d) For the purposes of O.C.G.A. § 43-40-25(b)(6), the term "licensee's principal" shall, in the specific real estate transaction for which disclosure is required, mean both the client of the broker and a customer of the broker if the customer is working primarily with the broker and is not being represented by another broker in the transaction.

(e) A licensee may rebate to a principal any part of a commission, fee, or other compensation received by the licensee related to the purchase, sale, lease or exchange of real estate as long as said rebate is disclosed on the closing statement for that transaction and as long as the rebate does not mislead any other licensee, other principal, lender, title company or government agency involved in the transaction regarding the source of funds to complete the transaction or regarding the financial resources or obligations of a buyer principal.

Notwithstanding anything to the contrary above, no disclosure is required for gifts, products, services, or other things of value given to a principal by a licensee provided that they are not contingent upon the purchase, sale, lease or exchange of real estate for that transaction.
(1) **Written Notification to Broker.** No licensee shall be permitted to list, sell, buy, exchange, rent, lease, or option or offer to list, sell, buy, exchange, rent, lease, or option real estate, either in individual or multiple parcels, in the licensee's own name or in the name of any other firm or entity in which the licensee is an officer, employee, beneficiary, or member of such firm or other entity acting as principal without first advising, in writing, the broker for whom the real estate licensee is acting.

(2) **Offers to Buy Associated with a Brokerage Relationship.** Whenever a licensee offers to purchase a property as a condition to obtaining a brokerage engagement to sell, lease, or exchange or on which the licensee is extending the expiration date of an existing brokerage engagement, the licensee must enter into a written contract to purchase which expresses all the terms and conditions of the licensee's purchase prior to or at the time of entering into the proposed brokerage engagement or into the extension of the existing brokerage engagement. Whenever a licensee offers to purchase a property in order to enable a party to purchase, sell, lease, or exchange another property, the licensee must enter into a written contract to purchase which expresses all the terms and conditions of the licensee's purchase prior to or at the time of the other party's entering into a contract to purchase, sell, lease, or exchange the new property.

(3) **Licensees Advertising as Principals.** Licensees advertising to buy, sell, or exchange real property for their own accounts must comply with the advertising requirements of Rule 520-1-.09.

media including, but not limited to, such examples as newspapers, magazines, flyers,
posters, radio, television, signs, newsletters, and internet web sites.

(a) Use of Commission Name. If a school, after approval, wishes to use the name of
the Georgia Real Estate Commission in its advertising, it must indicate that the
Georgia Real Estate Commission has approved the school as meeting the
requirements of Georgia laws. Such advertising may not indicate in any fashion
that the Georgia Real Estate Commission has any interest in the school other than
insuring that it complies with the standards imposed by Georgia law. In no event
can the phrase "Georgia Real Estate Commission" appear anywhere in the
advertisement in larger type than the words and phrases preceding or following the
phrase "Georgia Real Estate Commission."

(b) Use of the Name of a Licensed Firm. Whenever an approved school advertises
that it is offering any prelicense, postlicense or continuing education at the
location of a real estate firm or other organization that is not an approved school,
the school must include in the advertisement the school's name and school
approval number as registered with the Commission and the name of the school
and the approval number must appear in equal or greater size, prominence, and
frequency than the name of the firm or organization. Personnel of the approved
school must:
1. give students and prospective students information concerning course offerings, except that the school may allow other persons to distribute written information prepared by the school's director/coordinator. Such printed information shall include no telephone number other than the school's number and the following statement:

"This information provided by (name of school). Direct any questions concerning this information to (name of school)."

2. administer the registration and enrollment of students, except that the school may allow other persons to register and enroll students under the direction of the school's director/coordinator.

3. certify the students' completion of the course; and

(c) Disclosure of Type of Course. Any advertising of a course must state within the body of the advertisement that the course is an in-class course or a computer-based course whichever is applicable.

(d) Use of School's Passing Percentage Statistics. An approved school may not advertise that successful completion of its courses will assist an individual in passing either of the Commission's licensing examinations unless it includes its passing percentage in the advertisement in type as large as the reference to passing the examination. In calculating and advertising its passing percentage, an approved school must include the following information:

1. the passing rate of its students:
   
   (i) on the examination(s) to which the advertisement refers,

   (ii) expressed as a specific percentage (language such as "more than 80% passing" is not acceptable),

   (iii) based on only first-time examinees and so state in the advertisement, and

   (iv) for the calendar year prior to the advertisement (the school must identify the year in the advertisement);

2. whether the passing rate is for the salesperson's examination or the broker's examination (salesperson and broker passing rates may not be combined);
3. the actual number of its students taking the examination in the calendar year cited; and

4. the actual number of its students passing the examination during the calendar year cited.

An approved school that advertises courses that do not qualify an individual to sit for an examination but that the school holds out to the public as assisting an individual to pass the examination must comply with the requirements of this paragraph in advertising those courses.

(10) **Prohibition of Recruiting.**

No school coordinator/director shall allow anyone to use the school's premises or classroom to recruit new affiliates for any company one hour before, one hour after, or during an instruction period. The school coordinator/director shall cause the following statement to be distributed in written materials to all students at the beginning of the course:

"No recruiting for employment opportunities for any real estate brokerage firm is allowed in this class or on the school premises. Report promptly any effort to recruit on behalf of a brokerage firm by anyone including a fellow student to **(name of school coordinator/director)** at **(phone number and/or office location)** or the Georgia Real Estate Commission." Instructors and school coordinators/directors must promptly report to the Commission any efforts to recruit students in violation of this paragraph.

(11) **Exceptions.** Schools may request exceptions, modifications, or exemptions to the requirement of this Chapter whenever sound educational reasons exist for such a request. Schools must submit such requests in writing with supporting rationales and may implement them only after receiving written authorization from the Commission.

While instructors may use such teaching methods as lecture, discussion, questions and answers, etc. in in-class sessions, instruction should also include role play, simulations, or other similar instructional techniques designed to assist students in mastering such skills as writing offers, presenting offers, calculating costs, pricing property, and complying with fair housing laws.

(8) Interactive Instruction Required. Schools must present courses to students through interactive instructional techniques. Examples of interactive instruction include such teaching techniques as providing a student (1) the opportunity for immediate exchange with an instructor in a classroom setting and (2) immediate assessment and remediation through computer assisted or other audio or audiovisual interactive instruction. Schools shall not attempt to provide instruction primarily by having students (a) read text material, (b) listen to audio tapes, (c) watch video tapes or films, or (d) study questions similar to those on the state licensing examinations or by combining elements of (a) through (d) above.

(9) Distance Education Courses. Distance education is comprised of courses in which instruction does not take place in a traditional classroom setting but rather through other media in which distance and time separate teacher and student. Schools generally deliver distance education courses through such media as telecommunications or by computer. The Commission approves distance education courses:

(a) that meet all of the requirements of this chapter, or

(b) for which the applicant provides satisfactory documentation that the Association of Real Estate License Law Officials (ARELLO) has certified the course as meeting its distance education standards. Any Commission approval based on such an ARELLO certification will cease immediately upon notice from ARELLO
that ARELLO has discontinued such certification of the course for any reason. Synchronous Internet Courses or "Webinar" Courses require ARELLO certification. In distance education courses, a credit hour is defined as sixty minutes of instruction.

(10) **Computer-Based Courses.** The Commission approves the offering of computer-based courses that meet the specific standards of this Rule and all other applicable requirements of this Chapter.

(a) **Teach to Mastery.** Every course offered under this Rule must teach to mastery. Teaching to mastery means that the course must, at a minimum:

1. divide the material into major units as approved by the Commission;

2. divide each of the major units of content into modules of instruction for delivery on a computer;

3. specify the learning objectives for each module of instruction. The learning objectives must be comprehensive enough to insure that if all the objectives are met, the student will master the entire content of the course;

4. specify an objective, quantitative criterion for mastery used for each learning objective;

5. implement a structured learning method by which each student is able to attain each learning objective;

6. provide means of diagnostic assessment of each student's performance on an ongoing basis during each module of instruction. This assessment process must measure what each student has learned and not learned at regular intervals throughout each module of instruction, and the diagnostic assessment must specifically assess the mastery of each concept covered in the content material.

7. provide a means of tailoring the instruction to the needs of each student as identified in (10) (a) 5. above. The process of tailoring the instruction must insure that each student receives adequate remediation for specific deficiencies identified by the diagnostic assessment;

8. continue the appropriate remediation on an individualized basis until the student demonstrates achievement of each mastery criterion;

9. require that the student demonstrate mastery of all material covered by the learning objectives for the module before the student completes the module; and
10. consist of interactive computer-based instructional material which will reasonably require a student completing the course to expend the number of hours for which the school offers the course.

(b) Documentation of Methodology. Prior to the development of specific computer-based courses to be offered to meet prelicense, postlicense, and continuing education requirements, a school must submit to the Commission for its approval satisfactory documentation of the method by which the course will accomplish each element of mastery in paragraph (a) of this Rule. If the Commission authorizes that method, the school may utilize that method in developing any courses it may offer to meet licensees’ education requirements under this chapter. The school must base the rationale for the educational processes implemented with computer-based study on sound instructional strategies systematically designed and proven effective through educational research and development. The school must specify the basis and rationale for any proposed instructional approach in any request for approval.

(c) Required Testing and Evaluation of Courses. Courses offered under this Rule must also meet the criteria outlined in this Rule except those covering in-class instruction. Except where the Commission has granted permission in writing to do otherwise, persons developing computer-based courses must:

1. when developing prelicense courses for salespersons and community association managers, utilize at least nine persons in testing programs in order to evaluate for the developer the quality of content and the user friendliness of software and hardware. Of those nine persons, at least three must be unlicensed, at least three must be licensed salespersons or community association managers, and at least six must be non-educators. Persons developing any other courses for education credit for licensees must utilize at least six persons in testing programs in order to evaluate for the developer the quality of the content and the user friendliness of software and hardware. Of those six persons at least four must be non-educators and no more than two may be brokers, unless the course will only be offered to brokers. Persons developing such courses must document that those testing the programs have varying skill and knowledge levels of computers and real estate; and

2. make reasonably available to an authorized representative of the Commission documentation on the development and testing processes utilized in its computer-based courses.

(d) The Commission has determined that the following types of programs do not meet the requirements of this Rule:
1. those programs that consist primarily of text material presented on a computer or other audio or audiovisual programs rather than in printed material;

2. those programs that consist primarily of questions similar to those on the state licensing examination;

3. Those programs that consist primarily of combinations of the elements in 1. and 2. above.

(e) An approved instructor and/or the school coordinator/director must supervise the grading of the written course work required of students in computer-based courses.

(f) Every computer-based course for the Community Association Managers Prelicense Course must consist of interactive computer-based programs that will reasonably require the student to expend at least twenty-five hours in completing the content areas identified in paragraph (4) of this Rule. Every computer-based course for the Salespersons Prelicense course must consist of interactive computer-based programs that will reasonably require the student to expend seventy-five hours in completing the content areas identified in paragraph (4) of this Rule. Every computer-based course for the Sales Postlicense Course must consist of interactive computer-based programs that will reasonably require the student to expend twenty-five hours in completing the content areas identified in paragraph (4) of this Rule. Every computer-based course for the Brokers Prelicense course must consist of interactive computer-based programs that will reasonably require the student to expend sixty hours in completing the content areas identified in paragraph (4) of this Rule. Every computer-based course for continuing education must consist of interactive computer-based instructional material that will reasonably require the student completing the course to expend the number of hours for which the school offers the course.

(g) Every school offering a computer-based course under the requirements of this Chapter must offer those courses under an instructor. For the Community Association Managers, Salespersons Prelicense, and Brokers Prelicense courses, the school must offer those courses under an approved instructor. Every instructor in a computer-based course must:

1. be available to answer students' questions or provide them assistance as necessary;

2. provide reasonable oversight of students' work in order to insure that the student who completes the work is the student who is enrolled in the course;
3. certify students as successfully completing a computer-based course only if the student:

   (i) has completed all instructional modules required to demonstrate mastery of the material,

   (ii) has attended any hours of live instruction and/or testing required for a given course, and

   (iii) has passed the final examination for the Community Association Managers, Salespersons Prelicense, Sales Postlicense, Brokers Prelicense or any test required by a continuing education course.

4. obtain from each student the following certification statement:

   I certify that I have personally completed each assigned module of instruction. I understand that if any other person has completed any module of instruction or any part of this course required for completion of the course, the school may not award credit for the course or may withdraw credit already awarded for the course.

   A school or instructor may permit a student to complete this statement in an electronic or internet format in any computer-based or distance learning course. A school must provide prior documentation or demonstration to the Commission of the method by which the school will acquire this statement. The Commission must authorize the method of requiring this certification.

   (h) Schools may provide homework exercises, contract forms, or other assessment exercises required in courses in a computer-based or internet delivery format. A school must provide prior documentation or demonstration to the Commission of the delivery methods prior to offering such exercises or assessments. The Commission must authorize the delivery method offered by the school.

   (i) Schools may permit students in computer-based or distance-learning courses to complete written homework exercises, standard forms, or other assessment exercises. Each written assignment a student submits for completion of a computer-based or distance learning course must include the following:

   "I certify that I have personally completed this assignment. I understand that if any other person has completed any assignment, contract form, or other written
assessment required for completion of the course, the school may not award credit for the course or may withdraw credit already awarded for the course."

(11) **Course Examinations.** Every Community Association Managers Prelicense, Salespersons Prelicense, Sales Postlicense, and Brokers Prelicense Courses must conclude with an examination administered by the approved school.

(a) **Scheduling.** Schools shall administer final examinations for every Salesperson Prelicense and Brokers Prelicense Courses on a day when the course holds no in-class instruction. Schools may administer final examinations for every Community Association Managers Prelicense Course and Salespersons Postlicense Course on the last day of in-class instruction.

(b) **Passing Score.** On final examinations administered for Community Association Managers Prelicense, Salespersons Prelicense, Sales Postlicense, and Brokers Prelicense Courses, schools must require that students achieve a passing score on the final examination that is consistent with the passing score required on state qualifying examinations for these licenses unless a school has first obtained the written permission of the Commission to require a different passing score.

(c) **Retaking a Course Examination.** Schools may elect to allow any student who fails to achieve a passing score to take another examination on another day without repeating instruction. If a student fails to achieve a passing score on a second final examination, the student must repeat all instruction of that course before taking another examination.

(d) **Security.** Schools must maintain at least two forms of a final examination for each course and must provide the Commission, upon its request, with reasonable assurances that examinations are secure from distribution to students except upon administration of an examination. These final examinations are evaluation tools, not teaching tools. While schools may supply students with information regarding their individual proficiency in areas of the examination, they must not review specific questions from these examinations with students. The Commission may impose any sanction permitted by law on the approval of any school and/or instructor that fails to provide proper security for examinations.

(e) **Content Areas for Salespersons Prelicense Examination.** The final examination for the Salespersons Prelicense Course must include at least five questions each on (a) brokerage engagements, (b) legal descriptions and legal aspects of contracts, (c) methods of payment and earnest money, (d) special stipulations and writing sales contracts, (e) leases and fair housing, (f) licensees acting as
(b) principals, (g) anti-trust laws, (h) basic finance, (i) loan types, (j) pricing property, (k) seller's costs, (l) qualifying purchasers and purchaser's costs, (m) contract closing, and (n) such other matters as the Commission may from time to time require or authorize.

(f) Examination Formats. Final Examinations for prelicense and postlicense courses should attempt to measure the student's competence in the knowledge or skills taught in the course. A school need not submit a course final examination to the Commission if: (1) the examination consists of multiple choice questions with a minimum of four choices of answers for each question; (2) the final examination for the Salespersons Prelicense Course and the Brokers Prelicense Course consists of no fewer than one hundred questions; and (3) the final examination for the Community Association Managers Prelicense Course and the Sales Postlicense Course consists of no fewer than fifty questions. A school must submit to the Commission for approval any course final examination that does not meet the above criteria prior to the examination's being administered for the course.

(g) Proctoring. Schools must provide proctors for all final examinations for prelicense and postlicense courses and for any continuing education courses that require the passing of a final examination in order to receive credit for the course. The school director, coordinator, approved instructor, or other person designated by the school director or coordinator may administer or proctor final examinations in courses. The school director or coordinator must insure that examinations are conducted according to the requirements of this chapter.

(12) Alternatives for Meeting Prelicense Course Requirements.

(a) College Courses. Applicants for examination may qualify to sit for examination by presenting college transcripts that show courses in real estate subjects of at least ten quarter hours or six semester hours if the application is for the salesperson's examination or fifteen quarter hours or nine semester hours if the application is for the broker's examination. Applicants for the community association manager's examination may qualify to sit for the examination by presenting college transcripts that show real estate courses of at least four quarter hours or two semester hours with a concentration in community associations and community association management.

1. Applicants must submit an official transcript at the time of making application for examination; and the applicant may be required to provide a description of the course or courses from the school's catalogue or bulletin.

2. Only courses which count towards the student's obtaining a major in the field of real estate or courses dealing with principles, fundamentals, or essentials of real estate and only courses in agency, real property law, and contract law at a school of law will satisfy this requirement. College
correspondence courses and courses that qualify for continuing education units do not satisfy the requirements of this Rule.

(b) Credits for Instructors. The Commission shall approve as meeting the education requirements for examination any instructor who submits satisfactory proof that he or she has taught a course or courses named in this Rule within two years prior to making application to sit for an examination.

(c) Sales I, Sales II, and Sales III. Applicants who successfully completed all three of the Sales I, Sales II, and Sales III courses prior to January 1, 1993, may present certificates of completion of those courses from approved schools in order to sit for the qualifying examination for a salesperson's license.

(d) Courses Approved by Other Jurisdictions. Prelicense education courses for community association managers, salespersons, and brokers authorized by the regulatory body that regulates real estate licensees in any state, district, territory, possession, or province of the United States or Canada are approved as meeting the corresponding prelicense education requirements in Georgia provided that such courses are similar in credit hours earned to Commission required prelicense courses and are offered through classroom instruction or through computer-based instruction that is consistent with the standards of these regulations.

(13) Alternatives for Meeting Continuing Education Requirements.

The Commission shall deem a licensee to have met the continuing education requirement of O.C.G.A. § 43-40-8(e) for a renewal period if the licensee successfully completes in a renewal period any of the following courses that have at least the total number hours of instruction the law requires the licensee to complete:

(a) Prelicense and Post-license Courses. Licensees may obtain continuing education credits by successfully completing during a renewal period a Community Association Managers Prelicense, Salespersons Prelicense, Sales Post-license, or Brokers Prelicense course. Salespersons who complete the twenty-five hour Sales Post-license course in their first year of licensure may count that course as meeting nine (9) hours of the continuing education requirement for the first renewal period.

(b) College Courses. A licensee may obtain continuing education credit for a renewal period by completing at an accredited college or university any course of four quarter hours or two semester hours

1. which counts toward obtaining a major in the field of real estate or courses dealing with principles, fundamentals, or essentials of real estate;
2. which counts toward obtaining a major in business administration, accounting, finance, or marketing offered by a college or university accredited by one the regional accrediting associations recognized by the United States Department of Education; and

3. in courses in agency, real property law, and contract law at an accredited school of law. Licensees may not use college correspondence courses or college continuing education courses to qualify under this Rule.

(c) Credits for Instructors. The Commission shall deem the continuing education requirement for a real estate renewal period as met by any instructor who submits satisfactory written proof that he or she has taught any of the courses offered under the requirements of this Chapter for a total of the hours required under Rule 520-1-.05(1)(d) during the renewal period in which the instructor is applying for a renewal of a real estate license.

(d) Non-resident Licensees. The Commission shall deem the continuing education requirement as met by any nonresident licensee who submits satisfactory written proof that he or she has met the continuing education requirement of his or her state of residence during the renewal period in which the licensee is applying for a renewal of a real estate license. If the state of residence of a nonresident licensee does not require continuing education, then such nonresident licensee must meet the continuing education requirements of a resident licensee.

(e) Courses Approved by Other Jurisdictions. Licensees may use continuing education courses authorized by the regulatory body that regulates real estate licensees in any state, district, territory, possession, or province of the United States or Canada to count toward meeting the continuing education requirement for real estate licensees in Georgia. The Commission deems such courses as meeting continuing education requirements only if a school offers the courses through classroom instruction or through computer based instruction that is consistent with the standards for computer based courses or distance education described in this Rule and only if the course is for three or more credit hours.

(14) Verification of Course Completion.

The Commission may require licensees completing courses under this Rule to submit transcripts or other verification of completion that the Commission deems necessary and adequate.

(1) **Violations.** Any violation of the provisions of this Chapter, any falsification or misrepresentation on the application for approval or renewal, or any falsification or misrepresentation of any other reports, certifications, or applications required to be submitted by this Chapter may result in withdrawal of approval or any other sanction permitted by O.C.G.A. Section 43-40-25 or any citation permitted by O.C.G.A. Section 43-40-25.2.

(2) **Schools.** Any prelicensing school whose annual percentage of students passing the real estate examination falls ten percentage points or more below the percent of total examinees passing the state real estate examination in any calendar year may have its approval withdrawn or have one of the sanctions allowed by O.C.G.A. § 43-40-25 imposed on it or any citation permitted by O.C.G.A. § 43-40-25.2.

(3) **Instructors.** If an instructor or an application for instructor has a real estate license and that license is sanctioned by the Commission, such sanction may be grounds for Commission withdrawal of approval or denial of approval as an instructor.
(4) **Hearings.** Before imposing any sanction for a violation of this Chapter, the Commission shall afford a hearing in accordance with the "Georgia Administrative Procedure Act" O.C.G.A. Chapter 50-13 to the school or instructor allegedly violating this Chapter.

Chapter 520-4. PROCEDURAL RULES.

Rule 520-4-.01. Hearing Procedures.

(1) All hearings in "contested cases," as that term is defined in the Georgia Administrative Procedure Act (O.C.G.A. § 50-13-13), shall be conducted by the Office of State Administrative Hearings. All proceedings pending before the Office of State Administrative Hearings shall be governed by its rules and regulations. The Commission shall initiate all proceedings in contested cases by filing the requisite pleadings with the Office of State Administrative Hearings.
(2) When the Commission denies an application for classification based on the applicant's failure to meet the requirements of O.C.G.A. § 43-40-15, notwithstanding the fact the applicant may have met the other requirements under O.C.G.A. § 43-40-15, the Commission shall notify the applicant of the denial and offer the applicant the opportunity to request a hearing before the Office of State Administrative Hearings.

Rule 520-4-.02. General Information.

(1) The following rules govern pre-hearing and post-hearing procedures in "contested cases" pending before the Georgia Real Estate Commission. The following rules do not apply to matters filed or pending before the Office of State Administrative Hearings.

(2) The Commission shall maintain records indicating when it received all papers relating to every proceeding to which these rules apply.

(3) The office of the Commission shall be open from 8:00 a.m. to 4:30 p.m. each week-day except Saturdays, Sundays, legal holidays, and such other times as the Governor shall declare state offices closed.

(4) All documents, including requests for hearing or review of an initial decision, correspondence, motions, and pleadings related to any matters pending before the Commission and not pending before the Office of State Administrative Hearings, shall be filed with the Real Estate Commissioner, whose office is located at Suite 1000, International Tower, 229 Peachtree Street, N.E., Atlanta, Georgia 30303-1605. Copies shall be furnished by the party filing said documents to all parties of record, including the attorney representing the Commission.

(5) All communications, correspondence, motions, and pleadings in any proceeding shall be deemed to be filed or received on the date on which they are actually received by the Commissioner.

(6) Computation of any period of time referred to in these rules shall begin with the first day following that on which the act which initiates such period of time occurs. When the last
day of the period so computed is a day on which the office of the Commission is closed, the period shall run until the end of the following business day. When such period of time, with the intervening Saturdays, Sundays, and legal holidays counted, is seven (7) days or less, the said Saturdays, Sundays, and legal holidays shall be excluded from the computation; otherwise such days shall be included in the computation.

(7) It shall be within the discretion of the Commission to extend, for good cause shown, any time limit prescribed or allowed by these rules. Extensions shall be granted only when the Commission is satisfied that good cause has been shown and not otherwise.

(8) Every notice, pleading, petition, motion, or other document filed by a party (other than the Commission) represented by an attorney shall be signed by at least one attorney of record in the attorney's individual name and the attorney's address and telephone number shall be stated. A party who is not represented by an attorney shall sign the pleading and state the party's address and telephone number. Except when otherwise specifically provided by rule or statute, pleadings need not be verified or accompanied by affidavit. The signature of an attorney constitutes a certificate by the attorney that the attorney has read the pleading and that it is not interposed for delay.

(9) No person not employed by the Commission shall communicate ex-parte with any member of the Commission or any employee of the Commission involved in the decisional process with respect to the merits of a contested case. If any ex-parte communication is directed to any person in violation of these rules, all parties shall be immediately informed of the substance of the communication and the circumstances of its receipt; provided, that a request for information with respect to the status of a proceeding shall not be prohibited by this section.

(10) Any applicant/licensee named as a petitioner/respondent in a notice of hearing shall have a right to obtain a copy of the investigative record pertaining to the applicant/licensee upon written request. That record shall be available to the applicant/licensee or the applicant/licensee's legal counsel at the Commission office during regular business hours. Charges for copies of any material from the applicant/licensee's investigative file shall be at a rate of $.25 per page with a minimum charge of $5.00. Any material from said investigative file to be mailed shall be mailed by certified mail or statutory overnight delivery, return receipt requested, at the applicant/licensee's expense.

Chapter 520-10. GRANT PROGRAMS.

Rule 520-10-.01. Education Grants.

(1) Statutory Basis for Grant Program. O.C.G.A. § 43-40-22.

(2) **Purpose and Eligible Recipients.** The Commission makes monetary grants to public or private institutions or individuals to establish, continue, or expand educational opportunities or research that will benefit real estate licensees or the public in its potential dealings with licensees. The Commission is the sole arbiter of which programs, if any, to fund and gives priority to those programs that offer continuing education opportunities to real estate licensees.

(3) **Amounts and Terms of Grants.** The amount and period during which the grant will be used shall be at the discretion of the Commission. No grant shall be construed as obligating the Commission to make any payment beyond the fiscal year in which the Commission decides to support a particular proposal. The amount and time of payment of grants shall be at the discretion of the Commission.

(4) **Applications.** Applications for grants will be required to contain the following:

(a) a statement of the educational objective of the proposed program or research;
(b) a statement of how the program will benefit real estate licensees or the public who may deal with them;

(c) if applicable, a detailed course outline, the number of educational hours in the program, length of course, schedule of instruction, location, and anticipated number of participants;

(d) if applicable, the purpose, scope, length, and place of research work;

(e) a detailed cost analysis of the entire course or project including, but not limited to such items as source of other funding for the program; cost of advertising, administration, instructors, materials, and physical facilities; and fees charged participants;

(f) evidence of approval by the State Board of Education if the school applying is subject to the Georgia Proprietary School Act, Ga. Laws 1972, p. 156 (O.C.G.A. § 20-4-60);

(g) a list of any instructors which may be used and their credentials;

(h) any academic credit to be awarded;

(i) such other information as the Commission may require at the time of application or after reviewing the application.

(5) **Commission Action on Applications.** The Commission shall act on all applications within sixty days of receipt of a written original or amended application and shall notify the applicant in writing of:

(a) the terms of acceptance of the proposal;

(b) the reason or reasons for rejection of the proposal; or

(c) any further information needed to accept or reject the proposal.

Decisions of acceptance and rejection by the Commission shall be final.

(6) **Reports.** A full report of the expenditure of grant funds used shall be made to the Commission within thirty days of the end of the fiscal year in which such grant was made or at such other reasonable time or times as the Commission may require. Grant recipients shall issue a certificate of attendance to all who attend any grant program upon completion of the program and shall send to the Commission within ten days of the end of a program a list of all persons who were in attendance. All attendees of such grant programs shall be notified in writing by the grant recipient that certificates of attendance will be issued and that their attendance record will be forwarded to the Commission. The Commission may direct its representatives to monitor any program at any time, and the
recipients of grants shall be required to supply data to those representatives upon reasonable request.

(7) **Use of Commission Name.** Any advertising of a program or project must indicate that a portion or all of the cost of the program is underwritten by the Georgia Real Estate Commission. Any publication or other educational material produced as the result of a grant must include indication that a portion or all of the cost of producing the material is underwritten by the Georgia Real Estate Commission. All participants in any program underwritten totally or in part by the Georgia Real Estate Commission must be clearly and affirmatively made aware of the participation of the Georgia Real Estate Commission and how they may forward comments on the program to the Commission. No other use of the name of the Commission shall be permitted without the Commission's prior approval.

(8) **Changes.** No substantive changes, including schedule of programs, may be made in a proposed program without the prior approval of the Commission. Emergency changes may be made on a temporary basis with the prior approval of the real estate commissioner subject to review and final approval by the Commission at a regularly scheduled meeting. All requests for changes and authorizations of change must be in writing before they may be implemented.

(9) **Participants.** Any course offered to real estate licensees which the Commission has underwritten part or all of the cost must be available to all persons regardless of race, color, religion, sex, handicap, familial status, national origin, age, or membership in any organization.

(10) **Expenditures.** Any grant funds not expended on an approved proposal shall be returned to the Commission within thirty days of the end of the fiscal year in which the grant was made or at such other time as the Commission may require.

(11) **Violations.** Any violation of the provisions of this Chapter, any falsification or misrepresentation on the application for grant, or violation of any written agreement for a grant entered into with the Commission may result in a revocation of the grant and the requirement that any funds paid out by the Commission be returned. Any recipient of grant funds found to have not properly accounted for or improperly expended any grant funds shall repay said funds plus interest at 6% per annum to the Commission and said recipient shall be ineligible to receive any other grant funds available through the Commission unless said recipient shall first repay said funds plus interest. Should the Commission allege any violation under this Chapter, it shall provide the respondent with the opportunity for a formal hearing in accordance with the Administrative Procedure Act.
