Chapter 622-1. ORGANIZATION AND ADMINISTRATION.

Rule 622-1-.01. Board of Trustees.

The organization of the Board of Trustees of the Subsequent Industry Trust Fund shall be as follows:

(a) Meetings are to be held at least quarterly.

(b) Special meetings can be held upon reasonable notice in writing to Board Members by the Chairman or any two voting members.

(c) Three voting members must be present to constitute a quorum for conducting business.

(d) Time, place, names of those present, all official action of the Board, and when requested, a member's approval or dissent with reasons shall be recorded in the Minutes.

(e) The Administrator shall cause the Minutes to be transcribed and presented for approval or amendments at the next regular meeting.

(f) Minutes, or a true copy, shall be open for inspection during regular office hours.

History. Original Rule entitled "Board of Trustees" was filed on May 26, 1987; effective June 15, 1987.

Rule 622-1-.02. Cost of Administration: Budget.

(1) The operating budget of the Subsequent Injury Trust Fund shall be computed on a fiscal year basis, and the Subsequent Injury Trust Fund's fiscal year shall be the same as the fiscal year for the State of Georgia.

(2) The Administrator shall submit to the Board, of Trustees a proposed budget covering the cost of administration of the Fund for each fiscal year. This budget should be submitted no later than the third quarter of the fiscal year preceding the fiscal year in the proposed budget. The budget shall be reviewed by the Board of Trustees at the quarterly Board meeting corresponding with the third quarter and submitted to the Office of Planning & Budget for comment. This budget proposal should be returned to the Board of Trustees by the Office of Planning & Budget within a reasonable time to enable implementation of the budget by the Board of Trustees.

Rule 622-1-.03. Payment of Non-Dependency Benefits into the Subsequent Injury Trust Fund.

(1) For accident dates prior to July 1, 1995, the employers' payments to the Subsequent Injury Trust Fund in no-dependency death cases will be initiated through the use of a Subsequent Injury Trust Fund Form "F", referred to as a "No Dependency Agreement." This agreement must be submitted to the State Board of Workers' Compensation for approval and, upon approval, the employer will process the payment in accordance with Code Section 34-9-358.

(2) **Payment of Assessments to Fund by Insurers and Self- Insurers.** Each insurer and self-insurer shall make payments to the fund in an amount equal to that proportion of 175 percent of the total disbursement made from the fund during the preceding calendar year less the amount of the net assets in the fund as of December 31 of the preceding calendar year which the total workers' compensation claims paid by the insurer or self-insurer bears to the total workers' compensation claims paid by all insurers and self-insurers during the preceding calendar year. The administrator is authorized to reduce or suspend assessments for the fund when a completed actuarial survey shows further assessments are not needed. Adjustments relative to any prior years' assessment will be added to or credited against each insurer's or self-insurer's most recent calendar year's assessment when total claims losses reported to the fund necessitated revising the prior years' assessment rate. An employer who has ceased to be a self-insurer prior to the end of the calendar year shall be liable to the fund for the assessment of the calendar year and/or the adjusted assessment, if any, of the previous calendar years.

(3) **Reports by Employers of Compensation and Benefits Paid; Failure to Pay Assessments.**

(a) As soon as practicable after January 1 but not later than January 31 of each calendar year, the administrator shall forward to each insurer and self-insured employer a questionnaire asking for the total amount of compensation, medical benefits, and rehabilitation benefits paid by each insurer and self-insured employer during the preceding calendar year. The total amount shall consist of all gross paid losses consisting of indemnity, medical, and rehabilitation benefits paid including those paid through deductibles and self-insured retentions. The insurer or self-insurer may deduct from the gross paid losses those amounts the Subsequent Injury Trust Fund paid during the preceding calendar year, third party (Workers' Compensation) recoveries, and losses under federal compensation laws. Insurers and self-insured employers cannot use paid Workers' Compensation Board and Subsequent Injury Trust Fund assessments to reduce gross claims payments reported. This report is to be completed and returned to the administrator no later than March 1 of the same calendar year in which the request for this information is
submitted. Failure to submit the report to the administrator carrying a postmark
date on or prior to March 1 shall result in an automatic penalty of $50.00 per day
for each day the report is delinquent or 10 percent of the assessment, whichever is
greater. This penalty will be added to the assessment.

(b) Any assessment levied or established in a specified amount shall constitute a
personal debt of every employer or insurer so assessed and shall be due and
payable to the Subsequent Injury Trust Fund when payment is called for by the
administrator. In the event of failure to pay any assessment upon the date
determined by the administrator, the administrator may file a complaint for
collection against the employer or insurer in a court of competent jurisdiction.

Rule 622-1-.04. Filing Claims Against the Subsequent Injury Trust Fund.

(1) An employer or insurer shall notify the administrator of the Subsequent Injury Trust Fund
of any possible claim against the Fund as soon as practical, but in no event later than
Seventy-Eight (78) calendar weeks following the injury or the payment of an amount
equivalent to Seventy-Eight (78) weeks of income or death benefits, whichever occurs
last. Notification shall be in writing, transmitted on the facsimile machine, or transmitted
electronically and shall be effective on the date of receipt of the notice by the Subsequent
Injury Trust Fund. The employer or insurer must submit or electronically transmit
Subsequent Injury Trust Fund Form "A", referred to as "Notice of Claim." In addition, the
employer or insurer must provide the following:

(a) Employer's knowledge statement pursuant to Rule 622-1-.05 of the Rules and
Regulations of the Subsequent Injury Trust Fund;

(b) Documentation supporting merger between the subsequent injury and prior
impairment; and

(c) Proof of payment of weekly income benefits to the injured employee in excess of
104 weeks and/or payments for medical benefits in excess of $5,000.00.

(d) The required format to complete the above will be available from the Subsequent
Injury Trust Fund or its website.
(2) The Reimbursement Agreement will contain a section for the insurer to certify that reserves have been reduced to the appropriate threshold levels. In addition, the reimbursement request form will contain a section for continued certification that reserves have been lowered to the appropriate threshold levels.

(a) Failure to provide certification as required above, or if evidence indicates failure to reduce reserves, reimbursement from Subsequent Injury Trust Fund will be suspended.

(3) When the employer returns an individual to work, and that employer has had a reimbursement claim in reference to that employee previously accepted by the Fund, the employer need not comply with additional mandatory indemnity or medical deductibles in the event that the employee sustains a new accident that merges with the prior impairment that originally resulted in fund acceptance. Examples of reimbursement are as follows:

(a) If the employee, in a case accepted by the Subsequent Injury Trust Fund for reimbursement, returns to work with the same employer, and the same employer has exhausted both indemnity and medical deductibles, the Subsequent Injury Trust Fund will resume reimbursements without further deductibles applicable to the employer.

(b) In the above example, if the employee returns to work and sustains a new injury, and the employer has exhausted the indemnity deductible but not the medical deductible, the Subsequent Injury Trust Fund will resume indemnity reimbursements without further indemnity deductibles applicable to the employer, and the employer will exhaust the remaining portion of the medical deductible on the previous accident that resulted in Subsequent Injury Trust Fund acceptance for reimbursement before the Fund will reimburse medical expenses.

(c) If the employee returns to work and sustains a new accident, and the employer has not exhausted the indemnity deductible but has exhausted the medical deductible, the Subsequent Injury Trust Fund will resume reimbursement of medical expenses with no further medical deductibles applicable to the employer. The employer will be required to exhaust the remaining indemnity deductible as a result of the previous claim that required Subsequent Injury Trust Fund reimbursement before the Fund will reimburse indemnity expenses.

(d) Paragraphs (a), (b) and (c) will apply in the event a new insurer has assumed coverage for the employer.

(e) This provision does not apply if the employee returns to work for a new employer or there has been a break in service by the employee and employer.

(4) The fund shall reimburse only those indemnity, medical, and rehabilitation expenses that the employer or insurer was legally obligated to pay, and has actually paid, to the employee or claimant, including, but not limited to discounts granted by the service
provider. The fund shall reimburse such expenses at a rate not exceeding the usual and customary charges. The fee schedules adopted by the State Board of Workers' Compensation shall be presumed to indicate the usual charges to any given service; except, however, where the employer or insurer was eligible for further cost reductions the fund will reimburse the lesser amount.

Rule 622-1-.06. Procedures for Payment of Reimbursement Benefits by the Fund.

(1) In order to establish payment for reimbursement benefits from the Subsequent Injury Trust Fund,

(a) An agreement setting forth factual information establishing the employer's right to reimbursement must be accomplished by the use of Subsequent Injury Trust Fund Form "B", referred to as "Reimbursement Agreement." This Agreement will be initiated by the Subsequent Injury Trust Fund and forwarded to the employer or insurer for signature. The Agreement must be approved by the State Board of Workers' Compensation.

(b) The employer will be required to submit an itemized statement of weekly income benefits paid to the injured employee. In addition, an itemized statement of medical benefits paid on behalf of the claimant must be submitted to the Subsequent Injury Trust Fund, along with providers' charges or a fee schedule audit. An employer or insurer who can provide a certified counterpart of its electronically generated or computer-generated pay document which identifies payment date, provider service, treatment (CPT) codes, and the amount paid, may be relieved from the requirement of providing the Subsequent Injury Trust Fund with copies of providers' charges. The Subsequent Injury Trust Fund may require narrative reports when deemed reasonably necessary by the Subsequent Injury Trust Fund. However, where the reimbursement request is based on documented, future medical and rehabilitation expenses which have been paid by the self-insured employer or insurer in accordance with a settlement agreement which provides that said funds will be set aside in a trust or similar funding mechanism consistent with federal laws and/or regulations; and, that said funds will be used solely for medical and rehabilitation expenses, the Subsequent Injury Trust Fund is authorized to reimburse such funds set aside in accordance with the usual and customary charges of the anticipated medical and rehabilitation expenses.

(c) Weekly income benefits and medical benefits reimbursement requests will be outlined on Subsequent Injury Trust Fund Form "C", referred to as "Reimbursement Request Form." No reimbursement will be made unless a Reimbursement Request form is completed and signed by the claiming party. The employer or his insurer is required to attest to their efforts to assure that the injured employee is entitled to receive, or to continue to receive workers' compensation benefits. Failure to comply with this regulation may subject the claim to a denial of reimbursement benefits. After the initial fund payment, reimbursement requests may be made in 13-week intervals.
(2) In the event the employer and the Fund fail to reach an agreement, the claiming party may make application to the State Board of Workers' Compensation for a Hearing in regard to the matters at issue through the use of Form WC-14 Notice of Claim/Request for Hearing. The Form WC-14, shall be directed to the State Board of Workers' Compensation with a copy forwarded to the Subsequent Injury Trust Fund.

(3) When the Subsequent Injury Trust Fund denies a reimbursement claim submitted by an employer, the employer may move for reconsideration of the denial by submitting to the administrator of the Trust Fund such additional information which was impossible for the employer to obtain prior to the Trust Fund's denial no later than 15 calendar days before the initially-scheduled hearing date. The parties should make every attempt to resolve their differences prior to the hearing, but if neither the Trust Fund nor the aggrieved party can reach an agreement, the matter may, upon request of either party, be referred to the Mediation Unit of the State Board of Workers' Compensation. This provision shall in no way enlarge the time period in which the employer/insurer must request a hearing to challenge the Trust Fund's denial before the State Board of Workers' Compensation.

Rule 622-1-.07. Settlements Subsequent to Reimbursement Agreements.

After the employer/insurer and the administrator of the Subsequent Injury Trust Fund reach an agreement with respect to reimbursement and the reimbursement agreement is approved by the State Board of Workers' Compensation, the employer/insurer shall keep the administrator of the Subsequent Injury Trust Fund informed as to any settlement discussion with the employee. The employer/insurer shall obtain the approval of the Subsequent Injury Trust Fund administrator on all settlements entered into for the employer.

Rule 622-1-.08. Fund Not Bound as to Certain Matters.
Where the Subsequent Injury Trust Fund has been placed on notice of a potential claim against the Fund, the employer/insurer shall keep the Fund advised and cooperate with the administrator or his designee while defending the claim. Where the administrator or his designee acknowledges in writing that the Fund does not raise an objection to the manner in which the claim is defended or resolved, the Fund will not raise Code Section 34-9-366 as a defense to reimbursement liability by the Fund; provided, however, that the Fund reserves the right to intervene where the administrator or his designee deems it appropriate.
